

IN THE SUPERIOR COURT OF LONG COUNTY
STATE OF GEORGIA

GARDNER RENTALS, LLC,

Plaintiff,

v.

LONG COUNTY, GEORGIA,

Defendant.

CIVIL ACTION NO. SUV2026000009

UNOPPOSED MOTION AND SUPPORTING MEMORANDUM OF LAW
FOR FINAL APPROVAL OF CLASS ACTION SETTLEMENT

Pursuant to O.C.G.A. § 9-11-23, Named Plaintiff Gardner Rentals, LLC (the “**Named Plaintiff**”), individually and on behalf of all other persons similarly situated, by and through the undersigned attorneys as identified below, files this unopposed Motion and Supporting Memorandum of Law seeking final approval of the settlement reached with Defendant Long County, Georgia (the “**County**” or “**Defendant**”) (collectively, the “**Parties**”), on the grounds that the settlement or resolution as set forth in the proposed Order and Judgment, which memorializes the settlement by the Parties (the “**Settlement**”, “**Order and Judgment**”, or “**Judgment**”) attached as **Exhibit** (“**Ex.**”) “**A**”, is fair, adequate, and reasonable and that all relevant factors weigh in favor of final approval.¹ The County does not oppose this Motion. In support of this Motion, Named Plaintiff shows the Court as follows:

¹The County does not oppose this Motion. The County does not admit any liability or wrongdoing and agreed to the Settlement solely to avoid the cost and uncertainty of continued litigation. The County further takes no position in favor of or against the amounts requested in Class Counsel’s Application for Attorney’s Fees, Reimbursement of Expenses, and Service Award to Class Representative and defers such decision to the judgment and discretion of the Court.

I. OVERVIEW OF THE LAWSUIT AND PROPOSED RESOLUTION

A. Factual and Procedural Background

Named Plaintiff filed this class action lawsuit (the “**Lawsuit**”) on January 15, 2026, on behalf of itself and all taxpayers similarly situated who were assessed and paid certain fees from September 6, 2024, to the date of final approval of the Order and Judgment (the “**Refund Period**”). *See* Affidavit of James L. Roberts, IV (“Roberts Aff.”) attached hereto as Exhibit “B” at ¶¶10-11. Specifically, this Lawsuit seeks a refund under O.C.G.A. § 48-5-380 (the “**Refund Statute**”) for all fees illegally assessed and collected for fire protection and emergency medical services (the “**Fire Fee**”) as purportedly authorized under Long County Ordinance No. 24-04, adopted and effective September 6, 2024 (the “**Fire Fee Ordinance**”).² A true and correct copy of the Fire Fee Ordinance is attached to Named Plaintiff’s Verified Class Action Complaint (the “**Complaint**”) as Exhibit C.

The Fire Fee Ordinance establishes a special district consisting of all areas of Long County, Georgia serviced by Long County Fire, EMS, and Emergency Management, including the City of Ludowici (the “**District**”), and provides that there shall be a flat fee, *i.e.*, the Fire Fee, assessed against each parcel of land located in the District except linear rights-of-way. *See* Compl., Ex. C, ¶¶1-2(c), 1-3, 1-7(a)-(b). The stated purpose of the Fire Fee is to “maintain[] a constant state of availability, readiness and preparedness”, “provid[e] fire protection and emergency medical services”, and “to support the cost of the [Long County Fire, and Emergency Medical Services], including, but not limited to, the payment of principal and interest on debt obligations, lease

²Ordinance No. 24-04 (codified as Article III of Chapter 14 — Fire Protection and Emergency Medical Services) received its first reading on August 30, 2024, and was adopted upon second reading and Board action on September 6, 2024. *See* Compl., Ex. C.

payments, operating expenses, capital outlays, non-operating expenses, provisions for prudent reserves and other costs as deemed appropriate by the County.” *Id.*, ¶¶1-2(e), 1-3, 1-6(b).

The Fire Fee is assessed annually on each property owner’s *ad valorem* property tax bill as a flat fee, the amount of which is “set and may be modified from time to time by the governing body of the County”. *Id.*, ¶1-6(b). For fiscal years 2024 and 2025, the Fire Fee was imposed in the amount of One Hundred Fifty Dollars and No/100 (\$150.00) per parcel. *See, e.g.*, Compl., Ex. A; *see also* Compl., Ex. C, ¶¶1-6(c), 1-8(a). Irrespective of the party to whom a Fire Fee is initially billed, “the owner of each property subject to [the Fire Fee] shall be ultimately obligated to pay [the Fire Fee]”, and should such property owner fail to pay the Fire Fee when due, the property owner is further obligated to pay “any interest [thereon] at the [prime rate], plus three (3%) to accrue monthly on delinquent [Fire Fees].” *Id.* at ¶1-8(a)(3).

Pursuant to the Fire Fee Ordinance and the provisions discussed herein, the County has assessed its Fire Fee on every parcel of land located within the District (aside from linear rights-of-way) since its adoption of the Fire Fee Ordinance. Named Plaintiff is a limited liability company organized and operating under the laws of the State of Georgia and owns (or owned during the time relevant to this Lawsuit) six (6) parcels of property located in Long County, Georgia, including:

- a) 311 NE Moody Bridge Road (Map Code 037017);
- b) AC Storage Units on US 301N (Map Code 037018009);
- c) 120 NE Jason Lane (Map Code 044A0333);
- d) 1072 Buster Phillips Road, Parcel 1E (Map Code 05061001);
- e) 982 Buster Phillips Road 1A (Map Code 056061002); and
- f) 386 E. Cypress Street (Map Code L05024001) (collectively, the “**Subject Property**”).

In relation to the Subject Property, the County invoiced Named Plaintiff, and Named Plaintiff paid, the following Fire Fees:

- In 2024, Named Plaintiff was assessed and paid a Fire Fee in the amount of One Hundred Fifty Dollars and No/100 (\$150.00) per parcel comprising the Subject Property.
- In 2025, Named Plaintiff was assessed and paid a Fire Fee in the amount of One Hundred Fifty Dollars and No/100 (\$150.00) per parcel comprising the Subject Property.

Thus, in relation to the Subject Property, Named Plaintiff has to date paid at least One Thousand Eight Hundred Dollars and No/100 (\$1,800.00) in Fire Fees. *See* Compl., generally.

Named Plaintiff claims the Fire Fee, despite its nomenclature, is a tax, not a fee. According to the Georgia Supreme Court, “[a] tax is an enforced contribution exacted pursuant to legislative authority for the purpose of raising revenue to be used for public or governmental purposes, and not as payment for a special privilege or service rendered.” *Bellsouth Telecommunications, LLC v. Cobb County*, 305 Ga. 144, 146, 824 S.E.2d 233, 236 (2019) (citing *Gunby v. Yates*, 214 Ga. 17, 19, 102 S.E.2d 548 (1958)). When determining whether a charge is a tax, the Georgia Supreme Court considers four (4) criteria: namely, whether the charge is “(1) a means for the government to raise general revenue based on the payer’s ability to pay (i.e., income or ownership of property), without regard to direct benefits that may inure to the payer or to the property taxed; (2) mandatory; (3) not related to the payer’s contribution to the burden on government; and (4) not resulting in a ‘special benefit’ to the payer different from those to whom the charge does not apply.” *Id.*, 305 Ga. at 146-147.

Applying these criteria to the Fire Fee, Named Plaintiff contends, reveals that the Fire Fee is a tax and not a fee:

- 1) The Fire Fee is first and foremost a mechanism used by the County to raise general revenue for fire protection and emergency medical services. Indeed, the payer of the Fire Fee is assessed the fee not because it used some particular service offered by the County or because it receives some direct benefit therefrom but simply because it owns property located in the District. In other words, the Fire Fee is charged based on the payer’s ability to pay, *i.e.*, its ownership of property.

- 2) Additionally, according to the Fire Fee Ordinance, the purpose of the Fire Fee is to “maintain[] a constant state of availability, readiness and preparedness”, “provid[e] fire protection and emergency medical services”, and “to support the cost of the [Long County Fire, and Emergency Medical Services], including, but not limited to, the payment of principal and interest on debt obligations, lease payments, operating expenses, capital outlays, non-operating expenses, provisions for prudent reserves and other costs as deemed appropriate by the County.” *See* Compl., Ex. C, ¶¶1-2(e), 1-3, 1-6(b). Therefore, the object and purpose of the Fire Fee is to provide general revenue rather than to compensate the County for services actually rendered.
- 3) Next, the Fire Fee is not assessed in a manner whereby the payment is based on the payer’s contribution to the burden on the County to provide fire protection and emergency medical services, nor does the payment of the Fire Fee result in some special benefit to the payer of the Fire Fee different from those who do not pay the fee. Certainly, the payer may pay the Fire Fee year after year and never utilize the fire protection or emergency medical services while the non-payer of the Fire Fee may utilize such services repeatedly. Moreover, the services funded through the payment of the Fire Fee benefit the general public and non-payers of the Fire Fee in precisely the same manner that the services benefit the payer of the Fire Fee.
- 4) Lastly, the Fire Fee is mandatory as non-payment results in the County assessing “interest [thereon] at the [prime rate], plus three (3%) to accrue monthly on delinquent [Fire Fees].” *Id.*, ¶1-8(a)(3).

Pursuant to the reasoning of *Bellsouth*, the Fire Fee is consequently a tax, specifically a tax on real property.

Under the Georgia Constitution and Georgia law, taxation of real and tangible personal property is required to be *ad valorem*. That is, property must be assessed based upon the value of the property and not based upon a flat rate. *See Hutchins, et al. v. Howard, et al.*, 211 Ga. 830, 89 S.E.2d 183, 186 (1955) (“Taxation on all real and tangible personal property subject to be taxed is required to be *ad valorem* — that is, according to value, and the requirement in the Constitution that the rule of taxation shall be uniform, means that all kinds of property of the same class not absolutely exempt must be taxed alike, by the same standard of valuation, equally with other taxable property of the same class, and coextensively with the territory to which it applies; meaning the territory from which the given tax, as a whole, is to be drawn.”). Here, the Fire Fee is charged

as a flat fee on all parcels of land located within the District regardless of the size, value, or characteristics of the assessed parcel. The Fire Fee, Named Plaintiff claims, is therefore not *ad valorem* and is an illegal tax unauthorized by the Georgia Constitution. Named Plaintiff and the Class Members are consequently entitled to refunds of the illegally assessed and collected taxes in the form of Fire Fees under the Refund Statute. *See Hojeij Branded Foods, LLC v. Clayton County, Georgia, et al.*, 355 Ga. App. 222, 843 S.E.2d 902 (2020) (cert. denied Dec. 7, 2020) (Subsection (g) of the Refund Statute allows for the filing of a suit for a tax refund within five (5) years of the date the disputed taxes were paid).

Named Plaintiff filed its Verified Class Action Complaint on January 15, 2026, alleging that the Fire Fee is an illegal tax and asserting the following causes of action: refund under O.C.G.A. § 48-5-380; declaratory judgment; injunction; and attorney's fees for bad faith and stubborn litigiousness. *See* Compl., generally. The County filed its Answer to the Complaint on April 6, 2026, denying that the Fire Fee constitutes an illegal tax and denying any liability or wrongdoing. *See* Answer, generally.

B. Settlement and Grant of Preliminary Approval

After thoroughly investigating the facts of this Lawsuit and filing the Complaint, the Parties began settlement negotiations, held numerous discussions, and were ultimately able to reach the Settlement which is memorialized in the Order and Judgment. *See* Ex. B, Roberts Aff. at ¶¶19-20. Such discussions were conducted by senior attorneys from both sides, and all participants in the settlement discussions were experienced in prosecuting and negotiating complex class action cases such as this Lawsuit. *Id.* at ¶38. Each side had a thorough understanding of the allegations regarding the aggregate damages owed, the facts in support of the amount owed, and the defenses

thereto. *Id.* at ¶38. The County ultimately elected to settle the claims at issue to avoid the costs and uncertainty of litigation.

After reaching the Settlement memorialized in the Order and Judgment, Named Plaintiff filed an Unopposed Motion and Supporting Memorandum of Law for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and to Schedule Final Approval Hearing, which the Court granted on July 13, 2026 (the “**Preliminary Approval Order**”). In the Preliminary Approval Order, the Court preliminarily found, for settlement purposes, that the O.C.G.A. § 9-11-23 factors are present and that certification of the proposed Settlement Class is appropriate, and provisionally certified one (1) class: all taxpayers within the County who were assessed and paid a Fire Fee at any time between September 6, 2024, and the date of final approval of this Judgment (hereinafter the “**Refund Class**” or “**Settlement Class**”). *See* Preliminary Approval Order at ¶¶4-7. The Court further directed that (1) notice be mailed by first class mail to all Class Members to their last known addresses as appearing in the records maintained by the County (the “**Full Notice**”); (2) an advertisement be placed in the Tatnall Journal Sentinel once a week for four (4) consecutive weeks (the “**Publication Notice**”); and (3) a webpage be created (the “**Settlement Webpage**”) where Class Members can access documents related to the Lawsuit (collectively, the “**Notice Program**”). *Id.* at ¶12. The Court scheduled the final approval hearing (the “**Final Approval Hearing**”) for October 6, 2026, at 9:00 a.m. *See* Court’s Rule Nisi Order.

In accordance with the Court’s Preliminary Approval Order and the terms of the Notice Program, Six Thousand Nine Hundred Fifty-Six (6,956) Full Notices were mailed on or before July 30, 2026 to Class Members at their last known addresses as appearing on the records maintained by the County. *See* Affidavit of Terry D. Turner, Jr. (the “**Turner Affidavit**”) attached

hereto as **Exhibit “C”**. Likewise, the Settlement Webpage was created providing information about the Lawsuit, *see* LongCountyFireFeesSettlement.com, and the Publication Notice was placed in the Tatnall Journal Sentinel on July 23, 2026, July 30, 2026, August 6, 2026, and August 13, 2026. *See* Ex. B, Roberts Aff. at ¶¶31-32; Publisher’s Affidavit (the “**Publisher’s Aff.**”) attached hereto as **Exhibit “D”**. The form and content of the Full Notice and the Publication Notice were approved by the Court in its Preliminary Approval Order. *See* Ex. B, Roberts Aff. at ¶27. The Notice Program provided Class Members with the material terms of the Order and Judgment and instructions on how to object if they believed that any aspect of the Order and Judgment was not fair, reasonable, and adequate. *Id.* at ¶33. The Notice Program also advised the Class Members of the date, time, and location of the Final Approval Hearing. *Id.* at ¶35.

C. Terms of the Order and Judgment

The direct benefits of the Parties’ Settlement, as laid out in the Order and Judgment, to the Class Members include the creation of an aggregate refund fund in the amount of Five Hundred Thousand Dollars and No/100 (\$500,000.00) (the “**Aggregate Refund Fund**”). *See* Ex. A, Order and Judgment, at Section C. The County shall pay Two Hundred Fifty Thousand Dollars and No/100 (\$250,000.00) of the Aggregate Refund Fund on or before January 10, 2027 (the “**Initial Refund Fund Payment**”), and the remaining Two Hundred Fifty Thousand Dollars and No/100 (\$250,000.00) of the Aggregate Refund Fund on or before July 1, 2027 (the “**Final Refund Fund Payment**”). *Id.* The Aggregate Refund Fund will be used to pay (i) all refunds owed to Class Members; (ii) Class Counsel’s attorney’s fees and expenses; (iii) the Class Representative service payment; and (iv) the administrative costs, including the fees and expenses of the Administrator,

the Special Master, and the Gardner QSF Administrator (collectively, the “**Fees and Expenses**”).³ *Id.* at Sections D, F, I. In the event that the County fails to make the payments into the Aggregate Refund Fund as provided in the Order and Judgment, post judgment interest shall accrue at a rate of 7.0% per annum as set by O.C.G.A. § 7-4-2(a)(1)(A) on said amount until paid in full. *Id.* at Section C.

As fully stated in the Order and Judgment, each “**Qualified Class Member**”, as defined in the Order and Judgment, will receive his, her, or its pro-rata share of the Aggregate Refund Fund based on the Fire Fees paid during the Refund Period. *Id.* at Section J. Each Qualified Class Member’s pro rata share of the Aggregate Refund Fund, or the “**Presumptive Refund Amount**”, is expected to return to each Qualified Class Member at least 26% of the total Fire Fees paid during the Refund Period, less Fees and Expenses (the “**Pro-Rata Refund**”). *Id.* “Pro-rata” shall mean the proportion each Qualified Class Member’s total payment of Fire Fees during the Refund Period bears to the payments of all Qualified Class Members during the Refund Period. *Id.* This percentage shall be used to calculate each Qualified Class Member’s pro rata share of the Fees and Expenses to be subtracted from the Presumptive Refund Amount. *Id.* The Fees and Expenses shall be totaled and multiplied by the Pro-Rata share. *Id.* The resulting number shall be each Qualified Class Member’s portion of the Fees and Expenses (“**Pro-Rata Fees and Expenses**”). *Id.* The difference between the Presumptive Refund Amount less the Pro-Rata Fees and Expenses shall be each Qualified Class Member’s final refund (the “**Final Refund**”) and shall be the amount distributed to each Qualified Class Member as set forth in the Order and Judgment. *Id.* See Ex. A

³Class Counsel’s fees and expenses, the Class Representative’s service payment, and the fees regarding the administration of the Aggregate Refund Fund are collectively referred to as “Fees and Expenses” in the Order and Judgment. See Ex. A, Order and Judgment, at Section F.

at Sections H-J for a more detailed explanation of the identification of Class Members and the method by which refunds will be calculated.

Under the Order and Judgment, within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the “**Special Master**” on any individual refund calculation, the “**Administrator**” shall identify to the “**Gardner QSF Administrator**” the amount of the Final Refund due each taxpayer and the address to which the refund is to be mailed for the “**Category 1 Class Members**”, each of such terms being defined in the Order and Judgment. *Id.* at Section K. The Gardner QSF Administrator shall then issue refund checks from available funds in the Aggregate Refund Fund to the Category 1 Class Members within thirty (30) days of the later of the receipt of such notice or the payment of the Final Refund Fund Payment by the County. *Id.* Similarly, within thirty (30) days following the later of the expiration of the period to submit Claim Forms or a final ruling by the Special Master on any claims or objections as set forth above, the Administrator shall identify to the Gardner QSF Administrator the “**Category 2 Class Members**” who have properly filled out and returned Claim Forms, the amount of the Final Refund due each such Class Member, and the address to which the refund is to be mailed. *Id.* The Gardner QSF Administrator shall then issue refund checks from available funds in the Aggregate Refund Fund to the Category 2 Class Members within thirty (30) days of the later of the receipt of such notice or the payment of the Final Refund Fund Payment by the County. *Id.*

In exchange, the Class Members will release the County from claims and demands for the payment of taxes asserted in the Lawsuit related to or arising out of the issues in this Lawsuit. *See id.* at Section L. For more information concerning the release, *see* Ex. A, Order and Judgment, at Section L.

II. THE ORDER AND JUDGMENT IS FAIR, REASONABLE, AND ADEQUATE AND THEREFORE MERITS FINAL APPROVAL

O.C.G.A. § 9-11-23 governs class action litigation and provides that “[a] class action shall not be dismissed or compromised without the approval of the court and notice of the proposed dismissal or compromise shall be given to all members of the class in such manner as the court directs.” O.C.G.A. § 9-11-23(e). Thus, any resolution of class action litigation must be approved by the court. Such approval involves a two-step process. First, the Court must conduct a preliminary review to determine whether the proposed Order and Judgment is “within the range of possible approval.” *Fresco v. Auto Data Direct, Inc.*, 2007 WL 2330895, at *4 (S.D. Fla. May 11, 2007) (internal citations omitted).⁴ That step was completed when the Court issued its Preliminary Approval Order on July 13, 2026. Following preliminary approval, the second and last step – which is where we are in this matter – is for the Court to determine the Order and Judgment’s fairness. A class action settlement should be approved “if it is fair, adequate, reasonable and free of fraud or collusion.” *Bennett, et al. v. Behring Corporation, et al.*, 737 F.2d 982, 986 (11th Cir. 1984). “A settlement is fair, reasonable and adequate when the interests of the class as a whole are better served if the litigation is resolved by the settlement rather than pursued.” *See also In re Checking Account Overdraft Litigation*, 2020 WL 4586398, at *8 (S.D. Fla. 2020) (“*Overdraft Litg. II*”) (internal citations and punctuation omitted).

Largely due to the complexity and difficulties of class action litigation, “[p]ublic policy strongly favors the pretrial settlement of class action lawsuits.” *In re U.S. Oil and Gas Litig.*, 967 F.2d 489, 493 (11th Cir. 1992); *see also Ass’n for Disabled Americans, Inc. v. Amoco Oil Co.*, 211

⁴Since its enactment in 1966, Georgia courts have read O.C.G.A. § 9-11-23 to track Federal Rule of Civil Procedure 23, and in 2003, O.C.G.A. § 9-11-23 was modified to actually conform to the federal rule. Thus, Georgia courts rely on federal cases interpreting Fed. R. Civ. P. 23(e) when interpreting O.C.G.A. § 9-11-23(e). *See Sta-Power Indus., Inc. v. Avant*, 134 Ga. App. 952-953 (1975) (“Since there are only a few definitive holdings in Georgia on [O.C.G.A. § 9-11-23], we also look to federal law to aid us.”).

F.R.D. 457, 466 (S.D. Fla. 2002) (citing *Cotton v. Hinton*, 559 F.2d 1326, 1331 (5th Cir. 1977)) (“There is an overriding public interest in favor of settlement, particularly in class actions that have the well-deserved reputation as being most complex.”); *McGaffin v. Argos USA, LLC*, 2020 WL 3491609, at *4 (S.D. Ga. 2020) (“Settlements of class actions are favored.”); *Bennett*, 737 F.2d at 986 (“[O]ur judgment is informed by the strong judicial policy favoring settlement as well as by the realization that compromise is the essence of settlement.”); *In re Motorsports Merchandise Antitrust Litigation*, 112 F. Supp. 2d 1329, 1333 (N.D. Ga. 2000) (“In its evaluation of the proposed settlement, the court should be mindful of the judicial policy favoring settlement and cognizant that compromise is the essence of settlement. Settlements conserve judicial resources by avoiding the expense of a complicated and protracted litigation process and are highly favored by the law.”) (internal citations omitted); *Overdraft Litg. II*, 2020 WL 4586398, at *7 (“[C]ourts have long recognized a strong policy and presumption in favor of class action settlements.”); accord *In re Domestic Air Transp. Antitrust Litigation*, 148 F.R.D. 297, 312 (N.D. Ga. 1993) (in approving proposed class action settlement, recognizing and being guided by the strong judicial policy favoring settlements; that compromise is the essence of settlement; and that “settlements of class actions are highly favored ... and will be upheld wherever possible because they are a means of amicably resolving doubts and preventing lawsuits.”) (quoting in part *Bennett v. Behring Corp.*, 96 F.R.D. 343, 348 (S.D. Fla. 1982), *aff’d*, 737 F.2d 982 (11th Cir. 1984)).

The ultimate determination of whether a proposed class action settlement warrants approval resides in the court’s discretion. See *Protective Comm. for Indep. S’holders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 424-25 (1968). The Eleventh Circuit has identified the following factors that a court should consider in determining whether a settlement is fair, reasonable, and adequate:

(1) the likelihood of success at trial; (2) the range of possible recovery; (3) the point on or below the range of possible recovery at which a settlement is fair, adequate and reasonable; (4) the complexity, expense and duration of litigation; (5) the substance and amount of opposition to the settlement; and (6) the stage of proceedings at which the settlement was achieved.

Columbus Drywall & Insulation, Inc., et al. v. Masco Corp., et al., 258 F.R.D. 545, 558-59 (N.D. Ga. 2007) (quoting *Bennett*, 737 F.2d at 986). Such factors are known as the *Bennett* factors. See also *Overdraft Litg. II*, 2020 WL 4586398, at *9.

In addition to the *Bennett* factors, Federal Rule 23(e)(2) provides that courts may approve a proposed settlement as “fair, adequate, and reasonable” only after a hearing and after considering the following factors:

- A. the class representatives and class counsel have adequately represented the class;
- B. the proposal was negotiated at arm’s length;
- C. the relief provided for the class is adequate, taking into account:
 - i. the costs, risks, and delay of trial and appeal;
 - ii. the effectiveness of any proposed method of distributing relief to the class, including the method of processing class-member claims;
 - iii. the terms of any proposed award of attorney’s fees, including timing of payment; and
 - iv. any agreement required to be identified under Rule 23(e)(3) [any agreement made in connection with the settlement]; and
- D. the proposal treats class members equitably relative to each other.

Fed. R. Civ. P. 23(e)(2).⁵

As discussed below, a review of the Rule 23(e)(2) factors, which are substantively similar to the *Bennett* factors, shows the Settlement to be eminently fair, reasonable and adequate, warranting final approval of the Order and Judgment.⁶

⁵Nevertheless, “[j]udges should not substitute their own judgment as to the optimal settlement terms for the judgment of the litigants and their counsel.” *Armstrong v. Board of School Directors*, 616 F.2d 305, 315 (7th Cir. 1980), *overruled on other grounds in Felzen v. Andreas, et al.*, 134 F.3d 873 (7th Cir. 1998). Thus, “[i]n determining whether to approve a proposed settlement, the Court is entitled to rely upon the judgment of the parties’ experienced counsel,” and, absent fraud or collusion, should be hesitant to substitute its own judgment for that of counsel. *Domestic Air Transp.*, 148 F.R.D. at 312-313. See also *Nelson v. Mead Johnson & Johnson Co.*, 484 F. App’x 429, 434 (11th Cir. 2012).

⁶With regard to factor Rule 23(e)(2)(C)(iii) (terms of any proposed award of attorney’s fees), see Application for Attorney’s Fees, Reimbursement of Expenses, and Service Award to Class Representative with Memorandum of

A. The *Bennett* Factors Support Final Approval of the Order and Judgment.

When evaluating the *Bennett* factors, it is important to keep in mind that the court is not to try the case on the merits. *See Perez v. Asurion Co.*, 501 F. Supp. 2d 1360, 1380 (S.D. Fla. 2007). “Rather the court must rely upon the judgment of experienced counsel and, absent fraud, should be hesitant to substitute its own judgment for that of counsel.” *Id.* (citation omitted). Here, each *Bennett* factor weighs in favor of granting final approval.

i. The benefits outweigh the risks at trial.

The first *Bennett* factor, the likelihood of success at trial (similar to Rule 23(e)(2)(C)(i)), must be weighed “against the amount and form of relief contained in the settlement.” *Saccoccio v. JP Morgan Chase Bank, N.A.*, 297 F.R.D. 683, 692 (S.D. Fla. 2014) (quotation omitted). Additionally, in considering the risks involved in continued litigation, “[t]he [c]ourt should consider the vagaries of litigation and compare the significance of immediate recovery by way of the compromise to the mere possibility of relief in the future, after protracted and expensive litigation.” *Overdraft Litg. II*, 2020 WL 4586398, at *10 (internal citations omitted); *see also In re U.S. Oil & Gas Litig.*, 967 F.2d at 493 (noting that complex litigation “can occupy a court’s docket for years on end, depleting the resources of the parties and taxpayers while rendering meaningful relief increasingly elusive”). In this regard, the Eleventh Circuit has noted that “[s]uccess at trial is always uncertain, but the complexity, expense, and likely protracted litigation that would be expected in [a class action] case increase the chances that [p]laintiffs and the [c]lass might not ultimately succeed in [the] case.” *McGaffin*, 2020 WL 3491609, at *6.

Law in Support filed on July 30, 2026, and the Supplemental Memorandum in Support thereof filed contemporaneously herewith. With regard to factor Rule 23(e)(2)(C)(iv) (any agreement made in connection with the settlement), Class Counsel has confirmed that there are no agreements in connection with the Settlement other than as specifically articulated in the Order and Judgment. *See* Ex. B, Roberts Aff. at ¶22.

With such considerations in mind, if the Court enters final approval of the Order and Judgment, the direct benefits to the Class Members include the creation of an Aggregate Refund Fund in the amount of Five Hundred Thousand Dollars and No/100 (\$500,000.00). *See* Ex. B, Roberts Aff. at ¶40; Ex. A, Order and Judgment, at Section C. The Order and Judgment provides cash refunds for the Class Members of at least approximately 26% of the total calculated refund due less Fees and Expenses. *See* Ex. A, Order and Judgment, at Section J. On the other hand, should the Order and Judgment not be approved, Named Plaintiff will file a motion to certify this Lawsuit as a class action. Class certification is always challenging, and assuming that a class is certified, plaintiffs risk losing on summary judgment, at trial, or on appeal. Moreover, if this matter proceeds to trial the outcome could result in relief either greater or less than the Aggregate Refund Fund. Thus, the possibility of a trial producing a more favorable recovery is impossible to gauge, and the Class would risk the many hazards of litigation, such as trial errors and appeals and potentially recovering nothing. *See In re Motorsports*, 112 F. Supp. 2d at 1334 (“[T]he trial process is always fraught with uncertainty.”); *Allapattah Servs., Inc. v. Exxon Corp.*, 454 F. Supp. 2d 1185, 1206 (S.D. Fla. 2006) (“[C]lass actions involving various legal theories are, by their nature, very difficult.”). The Order and Judgment avoids these uncertainties and provides the Class Members with meaningful and certain relief. Accordingly, the first *Bennett* factor weighs in favor of granting final approval of the Order and Judgment.

ii. The Settlement is within the range of possible recoveries and is fair, adequate, and reasonable.

The second and third *Bennett* factors – whether the settlement is within the range of possible recoveries and is fair, adequate, and reasonable – can be considered together. *See Burrows v. Purchasing Power, LLC*, 2013 WL 10167232, at *6 (S.D. Fla. Oct. 7, 2013). In assessing the Order and Judgment, “[t]he Court’s role is not to engage in a claim-by-claim, dollar-by-dollar

evaluation, but to evaluate the proposed settlement in its totality.” *Lipuma v. American Express Co.*, 406 F. Supp. 2d 1298, 1323 (S.D. Fla. 2005). “[T]he Court must determine whether it falls within the range of reasonableness, not whether it is the most favorable possible result in the litigation.” *In re Domestic Air Transp. Antitrust Litig.*, 148 F.R.D. 297, 319 (N.D. Ga. 1993). Furthermore, as the District Court for the Southern District of Florida explained, “[i]n evaluating a proposed class action settlement, the Court will not substitute its business judgment for that of the parties.” *Overdraft Litg. II*, 2020 WL 4586398, at *7 (internal citations and punctuation omitted). “[T]he only question is whether the settlement, taken as a whole, is so unfair on its face as to preclude judicial approval.” *Id.* (internal citations and punctuation omitted).

As discussed above, should the Court approve the Order and Judgment, the Class Members will receive at least approximately 26% of the total calculated refund due less Fees and Expenses. *See* Ex. A, Order and Judgment, Section J. *Compare WinSouth Credit Union v. Mapco Express, Inc.*, No. 3:14-cv-01573 (M.D. Tenn. Jan. 12, 2017) (approving settlement despite arguments that it provided less than 10 percent of the potential recovery). This is an immediate and substantial benefit to the Class Members. Moreover, and significantly, by previously granting preliminary approval of the Order and Judgment, this Court has already determined that the Order and Judgment falls within the range of possible recovery. *See Matter of Skinner Group, Inc.*, 206 B.R. 252, 261 (Bankr. N.D. Ga. 1997). Therefore, the Order and Judgment is within the range of possible recoveries and is fair, adequate, and reasonable, and the second and third *Bennett* factors favor its final approval.

iii. Continued litigation would be expensive and lengthy.

A settlement that “will alleviate the need for judicial exploration of ... complex subjects [and] reduce litigation costs ...” merits approval. *Lipuma*, 406 F. Supp. 2d at 1324. In analyzing

whether the complexity, expense, and duration of litigation support final approval of a proposed settlement, courts compare the benefits of immediate recovery against the uncertainties of complex, expensive, and potentially lengthy litigation. *See Columbus Drywall & Insulation, Inc. v. Masco Corp.*, 2012 WL 12906499, at *3 (N.D. Ga. Oct. 26, 2012) (comparing benefits of “certain and substantial recovery” provided by settlement with “no assurance of any recovery, let alone a larger one, if the litigation were to continue against [defendant] through trial and the delay of an appeal”); *Ingram v. The Coca-Cola Co.*, 200 F.R.D. 685, 691 (N.D. Ga. 2001) (comparing expenses and duration of further litigation with “the strength of the relief [and] the added benefit of obtaining it now rather than years from now.”).

Here, as discussed above, the Order and Judgment provides significant immediate monetary relief. *See* Ex. B, Roberts Aff. at ¶48. Moreover, final approval of the Order and Judgment will avoid complex, expensive, and continued lengthy litigation, saving resources of the Parties and the Court, as continued litigation would involve extensive discovery and motion practice, including class certification and merit-based issues, and trying this Lawsuit to verdict would involve expert involvement, extensive argument and voluminous briefing, and possible *Daubert* challenges and appeals. *Id.* at ¶54. Thus, the fourth *Bennett* factor favors final approval of the Order and Judgment.

iv. There is no opposition to the Order and Judgment.

The fifth *Bennett* factor requires the Court to consider “the substance and amount of opposition to the settlement.” *Bennett*, 737 F.2d at 986. “[A] low percentage of objections demonstrates the reasonableness of the Consent Judgment and supports the Consent Judgment’s approval.” *In re: The Home Depot, Inc., Customer Data Security Breach Litigation*, 2016 WL 6902351, at *6 (N.D. Ga. Aug. 23, 2016). To alert the Class Members and provide them an

opportunity to object to the Order and Judgment, the Full Notice was mailed to Class Members on or before July 30, 2026, the Publication Notice was placed in the Tatnall Journal Sentinel on July 23, 2026, July 30, 2026, August 6, 2026, and August 13, 2026, and notice was posted on the Settlement Webpage. *See* Ex. B, Roberts Aff. at ¶¶30 and 32; Ex. C, Turner Affidavit; Ex. D, Publisher’s Affidavit. Class Members had until September 7, 2026 to object. *See* Ex. B, Roberts Aff. at ¶36. No objection has been filed by any Class Member as of the date of this filing. *Id.* Accordingly, the fifth *Bennett* factor favors final approval of the Order and Judgment.⁷

v. The stage of the proceedings supports final approval of the Order and Judgment.

The purpose of the final *Bennett* factor is “to ensure that [p]laintiffs had access to sufficient information to adequately evaluate the merits of the case and weigh the benefits of settlement against further litigation.” *Lipuma*, 406 F. Supp. 2d at 1324. The discovery completed, however, need not be exhaustive. *See Jones v. Amalgamated Warbasse Houses, Inc.*, 97 F.R.D. 355, 360 (E.D.N.Y. 1982), *judgment aff’d*, 721 F.2d 881 (2d Cir. 1983). Where information has been gathered through other means, “formal discovery [is not] a necessary ticket to the bargaining table.” *In re Corrugated Container Antitrust Litig.*, 643 F.2d 195, 211 (5th Cir. 1981); *see also In re Mego Fin. Corp. Sec. Litig.*, 213 F.3d 454, 459 (9th Cir. 2000) (same); *Cotton*, 559 F.2d at 1332 (finding that “very little formal discovery was conducted and there [was] no voluminous records in this case” but that “the lack of such does not compel the conclusion that insufficient discovery was conducted,” as plaintiffs “achieved the desired quantum of information necessary to achieve a settlement” through investigation and informal discovery). Moreover, “[t]he law is clear that

⁷Even if objections existed here, which they do not, courts have held that where only a small number of class members object to a settlement, there is convincing evidence of the fairness and adequacy of the proposed settlement and it should be approved. *See, e.g., Stoetznner v. United States Steel Corp.*, 897 F.2d 115 (3d Cir. 1990) (settlement strongly favored where there were only 29 objections out of 281 class members); *Rodriguez v. West Pub. Corp.*, 563 F.3d 948, 967 (9th Cir. 2009); *Churchill Village, LLC v. Gen. Elec.*, 361 F.3d 566, 577 (9th Cir. 2004) (affirming approval of class action settlement with 45 objections from a 90,000 person class).

early settlements are to be encouraged, and accordingly, only some reasonable amount of discovery should be required to make these determinations.” *Ressler v. Jacobson*, 822 F. Supp. 1551, 1555 (M.D. Fla. 1992). Indeed, in analyzing the final *Bennett* factor it must be remembered that “penalizing class counsel for achieving a settlement [early] would work against the interests of the class and undercut the judicial policy favoring early settlement.” *In re Equifax Inc. Customer Data Security Breach Litigation*, 2020 WL 256132, at *35 (N.D. Ga. 2020), *aff’d in part and remanded by In re Equifax Inc. Customer Data Security Breach Litigation*, 999 F.3d 1247 (11th Cir. 2021).

In this case, Class Counsel conducted early, informal discovery, issued numerous Open Records Requests (“**ORRs**”) to the County, spent a substantial number of hours investigating the facts of this case and the thousands of potential refund claims in tax years 2024 and 2025, reviewed payment records and bills for taxpayers potentially entitled to a refund, and extensively analyzed and calculated the damages and refunds potentially owed. *See* Ex. B, Roberts Aff. at ¶¶13-16. Furthermore, Class Counsel thoroughly researched the legal issues involved herein, and Attorney Roberts, as lead counsel, has briefed and argued the same issues in other tax refund and tax appeal matters and is very familiar with the statutory interpretations for refund matters under the Refund Statute. *See* Ex. B, Roberts Aff. at ¶¶8 and 17. Such early, informal discovery and the research of the legal basis for this Lawsuit were conducted prior to filing the Complaint and before conducting resolution discussions with the County. *Id.* at ¶14. The facts of this Lawsuit have therefore been thoroughly investigated, and in combination with Class Counsel’s litigation experience, Class Counsel can and has adequately analyzed the strengths and weaknesses of this Lawsuit. *Id.* at ¶¶13-17.

Although Class Counsel was able to reach the Order and Judgment in this Lawsuit more efficiently than in some other cases (*see, e.g., Altamaha Bluff, LLC, et al. v. Thomas, et al.*, Superior Court of Wayne County, 14CV0376 (six years); and *Coleman v. Glynn County*, Superior Court of Glynn County, CE12-01785-063, CE13-01480-063, and CE14-00750-063 (seven years)), such efficiency reflects Class Counsel’s experience in handling tax and fee refund matters. Class Counsel knew the work and investigation that was required in order to reach a fair, adequate and reasonable Settlement. Moreover, based on lead Class Counsel’s experience with refund cases, Class Counsel knew the issues they faced at every stage in the Lawsuit, knew the potential refund recovery to be had and the chance of achieving it. *See* Ex. B, Roberts Aff. at ¶¶13-17; *see also Overdraft Litg. II*, 2020 WL 4586398, at *10 (“Information obtained from other cases may be used to assist in evaluating the merits of a proposed settlement of a different case.”) (internal citations omitted). Similarly, this experience enabled Class Counsel to convince the County not only that Class Counsel were adequate to the task and willing to do what it took to achieve an excellent result, but that they genuinely understood – for both sides – what the case was worth given the law, facts, and risks. In short, Class Counsel was well positioned to evaluate the strengths and weaknesses of the claims in part as a result of their litigation and settlement of similar tax refund cases. *Compare Overdraft Litg. II*, 2020 WL 4586398, at *12 (“Class Counsel were well positioned to evaluate the strengths and weaknesses of [p]laintiffs’ claims, as well as the appropriate basis upon which to settle them, as a result of their litigation and settlement of similar claims reached [in other cases].”).

Thus, Class Counsel was well informed of the merits of the Lawsuit and had sufficient information to weigh the benefits of settlement against further litigation. As a result, and in combination with Class Counsel’s litigation experience, Class Counsel determined that the Order

and Judgment is fair, adequate and reasonable. *See* Ex. B, Roberts Aff. at ¶53. Accordingly, the sixth *Bennett* factor favors final approval of the Order and Judgment.

B. The Judgment of Class Counsel Should be Afforded Great Weight.

Where experienced counsel represents the Class Members, the court, “absent fraud, collusion, or the like, should be hesitant to substitute its own judgment for that of counsel.” *Cotton*, 559 F.2d at 1330. As the District Court for the Northern District of Georgia has stated, “in evaluating whether the settlement is fair, reasonable, and adequate the [c]ourt also gives due weight to the judgment of class counsel.” *Equifax*, 2020 WL 256132, at *11. *See also Ingram*, 200 F.R.D. at 691 (taking into account experienced class counsel’s “collective judgment that the benefits of the settlement far outweigh the delay and considerable risk of proceeding to trial”). Here, Class Counsel has extensive experience in refund actions such as this Lawsuit, as well as tax law, including property tax law and litigation, having handled tax appeals and tax refund matters for thousands of parcels in over sixty (60) counties in the State of Georgia as well as Florida, Virginia, Alabama, and North Carolina at the administrative, trial court, and appellate court levels. *See* Ex. B, Roberts Aff. at ¶¶7-8. Class Counsel regularly provides advice and counsel to clients on matters related to taxation and the valuation of property for taxation, exemption, and special use valuation programs. *Id.*

Class Counsel, guided by such experience, believes that the Order and Judgment represents an excellent result. *Id.* at ¶53. It is the opinion of Class Counsel that the Settlement achieved in this Lawsuit is fair, reasonable, and adequate under the circumstances. *Id.* Therefore, Class Counsel recommends that the Court grant final approval of the Order and Judgment, *id.*, and the Court should give “great weight to the recommendation of counsel for the parties, given their considerable experience in this type of litigation.” *Lunsford v. Woodforest Nat’l Bank*, 2014 U.S.

Dist. LEXIS 200716, at *26 (N.D. Ga. 2014) (internal citations omitted); *see also Overdraft Litg. II*, 2020 WL 4586398, at *12 (same). Further, the Order and Judgment is not a product of collusion. *See* discussion at Section II(C), *infra*. Thus, Class Counsel’s judgment provides further support that the Order and Judgment is fair, adequate and reasonable.

C. The Order and Judgment is the Result of Good Faith Negotiations and is Not the Product of Collusion Between the Parties.

In addition to the *Bennett* factors, a court in granting final approval of a class action settlement must find that the settlement “is not a product of collusion between the parties.” *Bennett*, 737 F.2d at 986; Fed. R. Civ. P. 23(e)(2)(B). In determining whether the settlement is a product of collusion, the Court examines “whether the settlement was achieved in good faith through arms-length negotiations, whether it was the product of collusion between the parties and/or their attorneys, and whether there was any evidence of unethical behavior or want of skill or lack of zeal on the part of class counsel.” *Berman v. General Motors LLC*, 2019 WL 6163798, at *4 (S.D. Fla. Nov. 18, 2019) (internal citations omitted). Courts have found no collusion where the settlement is the result of extensive arms-length negotiations. *See, e.g., Ingram*, 200 F.R.D. at 693; *In re Checking Account Overdraft Litig.*, 275 F.R.D. 654, 661 (S.D. Fla. 2011) (“Settlement negotiations that involve arm’s length, informed bargaining with the aid of experienced counsel support a preliminary finding of fairness.”).

The Order and Judgment was negotiated at arm’s length and without collusion. *See* Ex. B, Roberts Aff. at ¶¶22 and 38. The Parties engaged in extensive arm’s length resolution negotiations; discussions concerning the terms of the Order and Judgment were conducted by senior attorneys from both sides; all participants in the resolution discussions were experienced in prosecuting and negotiating complex class action cases such as this Lawsuit; and each side had a thorough understanding of the allegations regarding the aggregate damages owed, the facts in support of the

amount owed, and the defenses thereto. *Id.* The County is represented by Patrick T. O'Connor, Esquire, Patricia T. Paul, Esquire, and Luke R. Moses, Esquire, who are extremely capable counsel and were worthy, highly competent, and professional adversaries, and who mounted vigorous defenses on the County's behalf. *Id.* The Order and Judgment is therefore not a product of collusion between the Parties but is instead the result of hard-fought, arms-length negotiations. There is no evidence of collusion as counsel for both Parties zealously represented the best interests of their clients. *Id.* Moreover, Class Counsel believes that the Order and Judgment is fair and reasonable thereby entitling the Order and Judgment to a presumption of fairness. *Id.* at ¶53; *see also Slomovics v. All For A Dollar, Inc.*, 906 F. Supp. 146, 150 (E.D.N.Y. 1995) (courts give considerable weight to the views of experienced counsel as to the merits of a settlement).

Because all of the *Bennett* factors heavily weigh in favor of approval of the Order and Judgment, there is no collusion between the Parties, and Class Counsel's judgment should be afforded great weight, final approval of the Order and Judgment should be granted.

D. Class Members Received Excellent Representation.

The record shows that the Named Plaintiff and Class Counsel have provided exceptional representation to the Class Members as required by Rule 23(e)(2)(A). To begin, Named Plaintiff, as the Class Representative, shares the same interests as the absent Class Members and asserts claims stemming from the same event – the County levied and assessed illegal taxes in the form of Fire Fees – and accordingly shares the same injuries. Named Plaintiff has no claim and no interest different from or antagonistic to the absent Class Members. Finally, Named Plaintiff vigorously prosecuted this Lawsuit leading to the proposed Order and Judgment.

Named Plaintiff retained Class Counsel who is experienced in class action litigation generally and specifically refund class actions. Class Counsel thoroughly researched the facts of

and legal issues in this Lawsuit. *See* Ex. B, Roberts Aff. at ¶¶13-17. Lead Class Counsel's extensive knowledge in complex litigation and tax refund litigation, as well as the investigation and early discovery conducted in the Lawsuit, allowed Class Counsel to better understand the merits of the Lawsuit and damages involved, prepared Class Counsel for resolution discussions, and successfully positioned Class Counsel to engage in vigorous, arm's length negotiations. *Id.* Stated succinctly, the extensive information gathered permitted Class Counsel and Named Plaintiff to assess their position in great detail and make a reasonable decision on the Order and Judgment. *See Mashburn v. Nat'l Healthcare, Inc.*, 684 F. Supp. 660, 669 (M.D. Ala. 1988) (settlement appropriate given counsel acquired sufficient information "to determine the probability of ... success on the merits, the possible range of recovery, and the likely expense and duration of the litigation."). In light of the foregoing, the Order and Judgment represents an informed, educated, and fair resolution of the Lawsuit.

E. The Order and Judgment Treats Class Members Equitably.

Each Class Member (as defined in the Order and Judgment) will receive payment from the Aggregate Refund Fund and all terms of the Order and Judgment will apply to all Class Members equitably relative to each other. *See* Rule 23(e)(2)(D) factor; Ex. B, Roberts Aff. at ¶¶44-46. That is, each Qualified Class Member will receive his, her, or its pro-rata share of the Aggregate Refund Fund of at least approximately 26% of the total Fire Fees paid during the Refund Period, less Fees and Expenses, i.e., the Pro-Rata Refund. *See* Ex. B, Roberts Aff. at ¶44. For a detailed explanation of the calculation, see Section J of the Order and Judgment.

F. The Proposed Method of Distribution of Refunds is the Best Method of Distribution Possible.

Rule 23(e)(2)(C)(ii) requires the Court to review the effectiveness of any proposed method of distributing relief to the class. As set forth in the Order and Judgment, all Class Members are

treated equally in the Settlement. Courts have consistently concluded that where the settlement terms apply to all Class Members, the “method of distributing relief to the class” will effectively benefit every member of the Class and treat them equitably relative to each other. *Gumm v. Ford*, 2019 WL 479506, at *6 (M.D. Ga. Jan. 17, 2019). Importantly, if the Class Member is a Category 1 Class Member, as defined in the Order and Judgment, the Class Member needs to take no further action in order to receive the refund. *See* Ex. A, Order and Judgment, Sections I, K. All Category 2 Class Members are also treated equally and in the same manner as Category 1 Class Members, except that a Claim Form must be submitted prior to distribution to ensure proper payment is made. *Id.* Under the circumstances, this is the best method of distribution possible.

G. The Class Received Adequate Notice and Had Opportunity to be Heard.

O.C.G.A. § 9-11-23(e) provides “notice of the proposed ... compromise shall be given to all members of the class in such manner as the court directs.” Due process likewise requires that class members be given notice and an opportunity to be heard. *See Phillips Petroleum v. Shutts*, 472 U.S. 797, 812 (1985). The method and manner of the notice process is “left to the discretion of the court subject only to the broad ‘reasonableness’ standards imposed by due process.” *Grunin v. Int’l House of Pancakes*, 513 F.2d 114, 121 (8th Cir. 1975), *cert. denied*, 423 U.S. 864 (1975); *see also* O.C.G.A. § 9-11-23(e).

In deciding which method of notice is sufficient, courts look solely to the notice language and the manner of distribution. *See Adams v. Southern Farm Bureau Life Ins. Co.*, 493 F.3d 1276 (11th Cir. 2007). Notice to the class need not include every material fact or be overly detailed. *See Faught v. Am. Home Shield Corp.*, 668 F.3d 1233 (11th Cir. 2011). Nor is there any single way in which the notice must be transmitted. Mail, however, “is the preferred means for notifying identified members of a class.” Newberg on Class Actions, § 8:28 (5th ed. 2013). Mail is sufficient

when the class members are known. Wright & A. Miller, Federal Practice and Procedure, § 1797.6 (3d ed. 2005). Publication is nevertheless an acceptable substitute when individual notice to Class Members is not possible. *See Hughes v. Kore of Indiana Enterprise, Inc.*, 731 F.3d 672, 676-77 (7th Cir. 2013) (“The members of the class in this case can’t be identified through reasonable effort, effort commensurate with the stakes ... When reasonable effort would not suffice to identify the class members, notice by publication, imperfect though it is, may be substituted.”); *Mirfasihi v. Fleet Mortg. Corp.*, 356 F.3d 781, 786 (7th Cir. 2004) (“When individual notice is infeasible, notice by publication in a newspaper of national circulation ... is an acceptable substitute.”); *Shurland v. Bacci Cafe & Pizzeria on Ogden, Inc.*, 271 F.R.D. 139, 145 (N.D. Ill. 2010) (“In instances where the names and addresses of class members are not easily ascertainable, notice by publication alone continues to find support in more recent case law.”).

i. The best practicable notice was furnished.

The Notice Program employed here was multi-faceted and included (a) distribution of the Court-approved Full Notice by U.S. Mail; (b) the Court-approved Publication Notice; and (c) the Settlement Webpage. *See* Ex. B, Roberts Aff. at ¶27. Each facet of the Notice Program was timely and properly accomplished. *Id.* at ¶29; Ex. C, Turner Affidavit; Ex. D, Publisher’s Affidavit. Six Thousand Nine Hundred Fifty Six (6,956) Full Notices were mailed to Class Members. *See* Ex. B, Roberts Aff. at ¶30; Ex. C, Turner Affidavit. The addresses used were the last known addresses appearing in the records maintained by the County. The Parties believe that in providing notice in this manner they provided actual, individual notice to every taxpayer who can be located and may be entitled to a refund under the issues raised in this Lawsuit. *See, e.g., Holman v. Student Loan Xpress, Inc.*, 2009 WL 4015573, at *6 (M.D. Fla. Nov. 19, 2009) (approving notice by first class mail to most recent known address). In any event, the Constitution of the United States does not require that each

individual member receive actual notice of a proposed settlement. *See Juris v. Inamed Corp.*, 685 F.3d 1294, 1318 (11th Cir. 2012).

In addition, Class Counsel's phone number was provided in the Full Notice, the Publication Notice, and on the Settlement Webpage for Class Members to call with questions. Approximately Five (5) phone calls have been handled to date. *See* Ex. B, Roberts Aff. at ¶34. The response has been uniformly in favor of the Settlement. *Id.*

ii. The notice was reasonably calculated to inform Class Members of their rights.

The Court-approved Full Notice satisfied due process requirements because it described the Lawsuit and the substantive claims and contained information reasonably necessary for Class Members to make a decision regarding objecting to the Order and Judgment. *See generally Lunsford*, 2014 U.S. Dist. LEXIS 200716. The Full Notice, among other things, defined the Class and described the releases provided the County under the Order and Judgment, how the refunds will be calculated, and the proposed distribution method. The Full Notice further informed Class Members that Class Counsel would apply to the Court for an award of attorney's fees not to exceed forty percent (40%) of the Aggregate Refund Fund plus documented out-of-pocket expenses, and for a service award to the Named Plaintiff of two and one-half percent (2.5%) of the Aggregate Refund Fund. The Full Notice also informed Class Members of their right to object, the procedures and deadline for doing so, and the time and place of the Final Approval Hearing. Consistent with the Preliminary Approval Order, Class Members were advised that any written objection had to be postmarked at least thirty (30) days prior to the Final Approval Hearing, i.e., on or before September 7, 2026, delivered or mailed to the five (5) addresses identified in the Preliminary Approval Order, and set forth the information specified therein. *See* Preliminary Approval Order at ¶¶19-21. The Full Notice, the Publication Notice, and the notice posted on the Settlement

Webpage – all written in plain English – told the Class Members where they could get more information on the Order and Judgment, *i.e.*, the Settlement Webpage. The Settlement Webpage contained copies of relevant filings from the Lawsuit that could be downloaded by Class Members, including the Full Notice, the Order and Judgment, the Preliminary Approval Order, and other important Court documents.

The Court-approved Notice Program was therefore reasonably calculated to apprise Class Members of the Order and Judgment and afford them an opportunity to comment or present their objections. As discussed above, the Notice Program involved notice by mail, publication, and online notification. Any Class Member who wished to express comments or objections had ample opportunity to do so. The Notice Program clearly satisfies the requirements of O.C.G.A. § 9-11-23 as well as due process.

III. THE COURT SHOULD CERTIFY THE SETTLEMENT CLASS

The Court previously found that the Settlement Class met all of the requirements of O.C.G.A. § 9-11-23(a) and O.C.G.A. § 9-11-23(b)(1) and (b)(2). *See* Preliminary Approval Order at ¶¶4-5; Unopposed Motion and Supporting Memorandum of Law for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and to Schedule Final Approval Hearing filed on July 9, 2026, at Section II(B). Nothing has changed regarding the application of the O.C.G.A. § 9-11-23 factors to this Lawsuit since the Preliminary Approval Order was signed on July 13, 2026. For the reasons already considered by the Court, Named Plaintiff requests that the Court confirm its preliminary decision and finally certify the Settlement Class.

CONCLUSION

For the reasons set forth herein, and in the Court's Preliminary Approval Order, Named Plaintiff respectfully requests that the Court grant this Motion, finally certify the Settlement Class, and enter the Order and Judgment attached hereto as **Exhibit "A"** and the Final Approval Order attached hereto as **Exhibit "E"**.

Respectfully submitted this 29th day of September, 2026.

ROBERTS TATE, LLC

/s/ James L. Roberts, IV
JAMES L. ROBERTS, IV
Georgia Bar No. 608580
Attorney for Named Plaintiff

Exhibit "A"

**IN THE SUPERIOR COURT OF LONG COUNTY
STATE OF GEORGIA**

GARDNER RENTALS, LLC,

Plaintiff,

v.

LONG COUNTY, GEORGIA,

Defendant.

CIVIL ACTION NO. SUV2026000009

ORDER AND JUDGMENT

Plaintiff Gardner Rentals LLC (“**Named Plaintiff**”, “**Gardner**” or “**Class Representative**”) filed the instant class action lawsuit (the “**Lawsuit**”) against Long County, Georgia (“**Defendant**” or the “**County**”) pursuant to O.C.G.A. §48-5-380 (the “**Refund Statute**”) on behalf of itself and all taxpayers similarly situated seeking refunds for taxes illegally assessed and collected pursuant to Long County Ordinance 24-04 as adopted September 6, 2024 (the “**Fire Fee**” and the “**Fire Fee Ordinance**”) and injunctive relief.

Having read and considered the pleadings and facts presented, the Court finds as follows:

The Fire Fee has been assessed and collected based on the ownership of property on a *non-ad valorem* basis. Under the Georgia Constitution and Georgia law, taxation of real and personal property is required to be *ad valorem*. That is, property must be assessed based upon the value of the property. *See Hutchins, et al. v. Howard, et al.*, 211 Ga. 830, 89 S.E. 2d 183, 186 (1955) (“Taxation on all real and tangible personal property subject to be taxed is required to be *ad valorem* – that is, according to value, and the requirement in the Constitution that the rule of taxation shall be uniform, means that all kinds of property of the same class not absolutely exempt

must be taxed alike, by the same standard of valuation, equally with other taxable property of the same class, and coextensively with the territory to which it applies; meaning the territory from which the given tax, as a whole, is to be drawn.”).

Specifically, and as alleged in the Complaint as amended, the Court finds the following:

1. The Fire Fee is a means for the government to raise general revenue exclusively to be used for fire protection services, based on the taxpayer’s ability to pay, specifically based on ownership of property, without regard to the direct benefit that may inure to the payer or to the property taxed;
2. The Fire Fee is mandatory;
3. The Fire Fee is not related to the payer’s contribution to the burden on the government;
4. The Fire Fee does not result in a special benefit to the payer different from those to whom the charge does not apply; and
5. The Fire Fee is not calculated in a manner whereby the payer is reasonably paying for services rendered or to be rendered.

Therefore, the Fire Fee is an illegal tax not authorized by the Georgia Constitution or by Georgia law;

THEREFORE, IT IS ORDERED as follows:

A. Class Certification

The Court hereby certifies one class pursuant to O.C.G.A. § 9-11-23(b)(1) and O.C.G.A. § 9-11-23(b)(2) and the Court finds that such certification is appropriate. The class consists of ***all taxpayers within the County who were assessed and paid a Fire Fee at any time between September 6, 2024, and the date of final approval of this Order and Judgment*** (hereinafter the “**Refund Class**” or the “**Settlement Class**”).

The Court specifically finds that class certification is appropriate because:

1. The potential class members are so numerous that joinder of all members is impractical, satisfying the requirements of O.C.G.A. § 9-11-23(a)(1);

2. There are questions of law or fact common to each class member, satisfying the requirements of O.C.G.A. § 9-11-23(a)(2);
3. The claims of the representative party are typical of the claims of Class Members, satisfying the requirements of O.C.G.A. § 9-11-23(a)(3);
4. Class Representative will fairly and adequately protect the interests of the Class Members, satisfying the requirements of O.C.G.A. § 9-11-23(a)(4);
5. Certification of the Refund Class is appropriate under O.C.G.A. § 9-11-23(b)(1) as the prosecution of separate actions by or against individual Class Members would create a risk of inconsistent or varying adjudications with respect to individual Class Members which would establish incompatible standards of conduct for the party opposing the class or adjudications with respect to individual Class Members which would as a practical matter be dispositive of the interests of the other members not parties to the adjudications or substantially impair or impede their ability to protect their interests;
6. Certification of the class is appropriate under O.C.G.A. § 9-11-23(b)(2) as Defendant has acted or refused to act on grounds generally applicable to each class member, thereby making appropriate final injunctive relief or corresponding declaratory relief with respect to members of the class;¹
7. The law firms of Roberts Tate, LLC and Manly Shipley, LLP will fairly and adequately represent the interests of the Refund Class as Class Counsel; and
8. The action is manageable as a class action.

Plaintiff Gardner Rentals LLC shall serve as class representative for the Refund Class as defined herein. The law firms of Roberts Tate, LLC and Manly Shipley, LLP are appointed as Class Counsel for the Refund Class certified herein.

B. Permanent Injunction

Additionally, as of the date of this Order and Judgment and thereafter, Defendant is permanently enjoined and restrained from billing or collecting Fire Fees under the Fire Fee Ordinance set forth in Long County Ordinance No. 24-04 in its current form.

¹ Additionally, while the Court has elected to only certify the Refund Class under 9-11-23(b)(1) and 9-11-23(b)(2), the Court also finds that certification under 9-11-23(b)(3) would be appropriate as questions of law or fact common to the members of the Refund Class predominate over questions affecting only individual members, satisfying the requirements of O.C.G.A. § 9-11-23(b)(3) and a class action is superior to other methods available for the fair and efficient adjudication of this controversy satisfying the requirements of O.C.G.A. § 9-11-23(b)(3).

C. Judgment on the Aggregate Refund Amount

The Court hereby approves and enters judgment pursuant to the Refund Statute in favor of Named Plaintiff and the class in the amount of Five Hundred Thousand and No/100 Dollars (\$500,000.00) (hereinafter the “**Aggregate Refund Fund**”) to pay refunds to the Refund Class. Defendant shall pay \$250,000.00 to the Aggregate Refund Fund on or before January 10, 2027 (the “**Initial Refund Payment**”), and \$250,000.00 on or before July 1, 2027 (the “**Final Refund Fund Payment**”). In the event that Defendant fails to make the payment into the Aggregate Refund Fund as provided above, post judgment interest shall accrue at the rate of 7.0% per annum as set by O.C.G.A. § 7-4-2(a)(1)(A) on said amount until paid in full.

The Aggregate Refund Fund shall be the sole source used to pay: (i) all refunds and interest owed to Class Members as set forth herein (the “**Class Refunds**”); (ii) Plaintiff’s Counsel for attorneys’ fees and expenses as set forth herein and as approved by the Court; (iii) Class Representative Service Payment as set forth herein and as approved by the Court; and (iv) the costs of administering the Aggregate Refund Fund including the cost and expenses of the Administrator and the costs of notice to the Class Members as described herein, the costs and expenses of the Special Master, and the direct costs and expenses for the distribution and mailing of refunds to Class Members.

The Aggregate Refund Fund shall be paid to a Qualified Settlement Fund under Section 468B of the Internal Revenue Code to be identified and established prior to and to be specified in the Final Order (the “**Gardner QSF**”) to carry out the payment of approved Fees and Expenses of Class Counsel and the Class Representative Service Payment set forth in Section F and the Refund Payment Process set forth in Section K herein. The Final Order will appoint Terry D. Turner, Jr. of Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama

35244 as administrator of the Gardner QSF (the “**Gardner QSF Administrator**”). The Gardner QSF Administrator will be paid a flat fee of \$20,000.00. The costs of the Gardner QSF Administrator shall be paid from the Aggregate Refund Fund. The Aggregate Refund Fund shall be deposited into an interest-bearing bank account (the “**Aggregate Refund Fund Account**”) established by the Gardner QSF Administrator. The Aggregate Refund Fund Account shall have a unique Taxpayer Identifier Number.

The Gardner QSF Administrator shall act as a fiduciary with respect to the handling, management and distribution of the Aggregate Refund Fund.

Except as set forth above, the costs of administering the Class Refunds shall not include any costs incurred by Defendant related to the webpage used for notification of Class Members or time devoted by employees of Defendant to fulfilling the terms of this Order and Judgment. The Aggregate Refund Fund shall be the sole and exclusive source for payment of the Class Refunds and fees and expenses and payment in full of the amount of the Aggregate Refund Fund owed by Defendant shall be in sole satisfaction of all claims against Defendant.

D. Appointment of Administrator

Terry D. Turner, Jr. of Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 is appointed Administrator to identify Class Members (hereinafter referred to as the “**Administrator**”) entitled to refunds based on Long County’s databases, records and resources, and to calculate the individual refund amounts, if any, due each Class Member. The Administrator is to be given full access to the pertinent records of Long County necessary to identify Class Members and determine individual refund amounts. In the event that Terry Turner cannot serve, a substitute Administrator consented to by the Parties shall be appointed.

The Administrator’s fees will be paid from the Aggregate Refund Fund. The Administrator

will be paid the hourly rate of \$120 per hour for his services and \$80 per hour for administrative personnel hired to assist. Upon completion of the Administrator's work the Administrator shall submit an accounting of all charges and expenses to Named Plaintiff's Counsel and Defendant's Counsel at least fifteen (15) days prior to submission of such charges and expenses to the Gardner QSF Administrator for payment. Named Plaintiff's Counsel and Defendant's Counsel shall notify the Administrator of any objections to the charges and expenses within five (5) days of receipt. The Gardner QSF Administrator will pay the Administrator's charges and expenses within ten (10) days of submission provided there are no unresolved objections. Any unresolved objections shall be submitted to the Special Master as set forth below for resolution and whose decision shall be binding.

E. Preliminary Approval of Proposed Order and Judgment, Notification of Class and Objection Procedure

Named Plaintiff shall promptly move the Court for an Order granting preliminary approval of this Order and Judgment (the "**Preliminary Approval Order**"). The proposed Preliminary Approval Order will be attached to the motion and shall be in a form submitted by Named Plaintiff's Counsel and not opposed by Defendant's Counsel. The Motion for Preliminary Approval shall request that the Court: (i) approve the Order and Judgment as set forth herein as being within the range of potential outcomes and fair, adequate and reasonable; (ii) certify the proposed Refund Class and appoint Class Counsel and the Class Representative; (iii) approve the Notice program as overviewed herein and as set forth in more detail in the Motion for Preliminary Approval including the form and content of the Notices which will be attached to the Motion for Preliminary Approval; and (iv) schedule a Final Approval hearing for a time and date mutually convenient for the Court, Named Plaintiff's Counsel and Defendant's Counsel, at which time the Court will conduct an inquiry into the fairness of the Order and Judgment, determine whether it

was made in good faith, finally certify the Refund Class, and determine whether to approve the Order and Judgment and Named Plaintiff's Counsel's application for attorneys' fees, service award to class representative, costs and expenses (the "**Final Approval Hearing**").

Notice of the Order and Judgment shall be sent to those set forth in **Exhibit A**. Those set forth in **Exhibit A** are potential Class Members.

The proposed notice to the Class Members shall include, among other information; a description of the material terms of the Order and Judgment; a description of the administration process; the timing of the calculation of individual refund amounts; a date by which the Class Members may object to the fee, service award and expense motion; a date by which the Class Members may object to the calculation of individual refund amounts; the address of the webpage created by the Administrator (the "**Settlement Webpage**") where Class Members may access this Order and Judgment and other related documents and information; the date that the Final Approval Hearing will occur; and the procedure for the Class Members to object (the "**Notice**"). A form of Notice to be sent to the Class will be submitted to the Court as an exhibit to the Motion for Preliminary Approval. Notice will be provided by U.S. Mail to the last known address for each taxpayer who paid the Fire Fee under the Fire Fee Ordinance. An advertisement will be placed in the Tatnall Journal Sentinel containing the information provided in the Notice and directing the taxpayers to the Settlement Webpage.

Objections to the Order and Judgment or to the Fee Petition and Service Award must be mailed to the Clerk of Court, Named Plaintiff's Counsel and Defendant's Counsel. For an objection to be considered by the Court, the objection must be received by the Court, Named Plaintiff's Counsel and Defendant's Counsel at least thirty (30) days prior to the Final Approval Hearing. For an objection to be considered by the Court, the objection must also set forth:

- a. The name of the Lawsuit;
- b. The objector's full name, address and telephone number;
- c. An explanation of the basis upon which the objector claims to be a Class Member;
- d. All grounds for the objection, accompanied by any legal support for the objection known to the objector or the objector's counsel;
- e. The number of times the objector has objected to a class action settlement within the five (5) years preceding the date on which the objector files the objection, the caption of each case in which the objector has made such objection, and a copy of any orders or opinions to or ruling upon the objector's prior such objections that were issued by any court in each listed case;
- f. The identify of all counsel who represented the objector, including any former or current counsel who may be entitled to any compensation for any reason related to the objection to the Order and Judgment or to Fee Petition, and Service Award;
- g. The number of times the objector's counsel and/or counsel's law firm have objected to a class action settlement within the last five (5) years preceding the date the objector files the objection, the caption of each case in which the counsel or the firm has made such objection, and a copy of any order or opinions related to or ruling upon counsel or the firm's prior such objections that were issued by any court in each listed case;
- h. Any and all agreements that relate to the objection or the process of objecting – whether written or verbal – between the objector or objector's counsel and any other person or entity;
- i. The identity of all counsel representing the objector who will appear at the Final Approval Hearing;
- j. A list of all persons who will be called to testify at the Final Approval Hearing in support of the objection;
- k. A statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and
- l. The objector's signature (an attorney's signature is not sufficient).

The Court, in its discretion, may determine which, if any, Class Member(s) who objected and who requested to appear at the Final Approval Hearing will be entitled to appear and be heard. Any Class Member who fails to object in the manner set forth in this Section shall be deemed to

have forever waived his or her objections and forfeit any and all rights the Class Member may otherwise have to appear separately and/or to object and shall be bound by all the terms of this Order and Judgment and by all proceedings, orders and judgments in the Lawsuit.

F. Fees and Expenses

Class Counsel intends to file a motion for attorney's fees and expenses to be awarded as well as a motion for a class service payment to the Class Representative within fifteen (15) days of the Court's Preliminary Approval Order. Class Counsel intends to seek the payment of attorneys' fees plus documented out of pocket costs and expenses for prosecuting this action from the Aggregate Refund Fund ("**Fee Petition**"). Any award of attorney's fees, costs and expenses to Class Counsel shall be payable solely out of the Aggregate Refund Fund and is subject to Court approval. Defendant takes no particular position in favor or against the ultimate amount requested in such Fee Petition and intends to defer such decision to the judgment and discretion of the Court.

Additionally, Class Counsel intends to file on behalf of Class Representative a petition for class service payment from the Aggregate Refund Fund ("**Class Service Petition**"). Again, Defendant takes no particular position in favor or against the ultimate amount requested in such Class Service Petition and intends to defer such decision to the judgment and discretion of the Court.

Following the date of notice to the Class as described below, the Court, if necessary, will hold a hearing (see Section F) to resolve any objections and pending motions and will determine the amount of fees and expenses to be paid to Class Counsel and fees to be paid to the Class Representative. Class Counsel's fees and expenses, Class Representative's fees, and fees regarding the administration of the Aggregate Refund Fund (including without limitation the fees and expenses of the Administrator and Gardner QSF Administrator) are collectively referred to as

“Fees and Expenses”. Fees and Expenses shall be paid from the Aggregate Refund Fund.

The Attorney’s Fees and Expenses and Service Payments shall be paid to a Qualified Settlement Fund under Section 468B of the Internal Revenue Code to be identified and established prior to and to be specified in the Final Order.

Any and all attorney’s fees, costs and expenses, and class service payments awarded by the Court to Class Counsel and Named Plaintiff shall be payable from the Aggregate Refund Fund Payment and shall be paid by the Gardner QSF Administrator within thirty (30) days of receipt of the Initial Refund Payment , subject to the availability of sufficient funds in the Initial Refund Payment with any remaining Fees and Expenses owed to be paid at such time as additional funds are placed into the Aggregate Refund Fund sufficient to satisfy the award of fees, costs, and expenses to Class Counsel and class service payments to Named Plaintiff. Fees and Expenses awarded to Class Counsel shall be paid notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, or collateral attack on the award or this Order and Judgment or any part thereof, subject to Class Counsel’s obligation to make appropriate refunds or repayments to the Aggregate Refund Fund plus accrued interest at the same net rate as is earned by the Aggregate Refund Fund, if and when, as a result of any appeal and/or further proceedings on remand, or successful collateral attack, the fee or expense award is reduced or reversed.

G. Final Approval Order and Entry of Order and Judgment

Named Plaintiff shall file its Motion for Final Approval of Order and Judgment and any supplemental motion in support of the Fee Petition and the Class Service Petition no later than seven (7) days prior to the date of the Final Approval Hearing. The Court, if necessary, will hold a hearing to resolve any objections properly submitted and enter the Order and Judgment and award attorneys’ fees and expenses and service award for Class Representative. The Motion for

Final Approval of the Order and Judgment will contain a proposed Final Order in a form submitted by Named Plaintiff's Counsel and not opposed by Defendant's Counsel. Such Final Order shall, among other things:

- a. Finally certify the Refund Class for settlement purposes pursuant to O.C.G.A. §9-11-23(e);
- b. Determine that the Order and Judgment is fair, adequate and reasonable;
- c. Determine that the Refund Class has been fairly and adequately represented;
- d. Determine that the Notice provided satisfies Due Process requirements;
- e. Enter a final order and judgment giving effect to the terms of this Order and Judgment;
- f. Rule on the Fee Petition and award attorney's fees and expenses as may be determined to be fair, adequate, and reasonable in the discretion of the Court;
- g. Rule on the Class Service Petition and award class service payment as may be determined to be fair, adequate, and reasonable in the discretion of the Court;
- h. Bar and enjoin Named Plaintiff and all Class Members from asserting any of the Released Claims;
- i. Release Defendant and Released Parties as set forth in Section L (1);
- j. Direct payment of the Aggregate Refund Fund as provided herein; and
- k. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Order and Judgment, to administer, supervise, construe and enforce this Order and Judgment in accordance with its terms.

H. Identification of Class Members and Calculation of Individual Refunds

Following Final Approval of the Order and Judgment, the Administrator is directed to identify the Refund Class and Class Members and determine the refunds owed. "Class Member" or "Class Members" means a member or members of the Refund Class. The Administrator will identify the Class Members who are entitled to refunds as follows:

The Administrator shall be given full access to the pertinent records of and full cooperation by Defendant's departments including, but not limited to, Information Technology and Finance

Departments, in order to identify Class Members, confirm the identity of Class Members, obtain missing information for taxpayers who paid the Fire Fee in order to determine whether they are Class Members and to calculate the individual refunds owed to Class Members. The period for which refunds will be determined is September 6, 2024, through the date of entry of this Order (the “**Refund Period**”). The amount of Fire Fees paid by each Class Member during the Refund Period shall be determined and then summed to determine the total of all Fire Fees paid by all Class Members during the Refund Period. The percentage of Fire Fees paid during the Refund Period for each Class Member multiplied by the amount of the Aggregate Refund Fund shall be the presumptive refund amount (“**Presumptive Refund Amount**”).

The Administrator will not calculate interest on the refund from the date of payment through the date of final approval of this Order and Judgment in calculating the Presumptive Refund Amount owed to each Class Member.

The identification of Class Members entitled to refunds and the amount of the individual refunds due to such Class Members is to be completed within nine (9) months of final approval of the Order and Judgment.

Upon completion of the identification of the Class Members entitled to refunds and the Presumptive Refund Amount to each Class Member, the Administrator will post the list of Class Members and the Presumptive Refund Amount owed to each on the Settlement Webpage and provide notice in the Tatnall Journal Sentinel.

The County and any Class Member shall have the right to object to the calculation of any individual refund calculations made by the Administrator including the County’s ability to assert any individual defenses to such individual’s entitlement to the refund or the amount thereof. Such objection shall be filed with the Special Master as defined below within forty-five (45) days of the

Administrator's notice of completion of the Presumptive Refund Amount.

The Settlement Webpage will provide a claim form for any taxpayer who paid the Fire Fee not identified as a Class Member by the Administrator to submit in the event they believe they are entitled to a refund with a time limit of forty-five (45) days from the posting of the individual refund calculation on the Settlement Webpage ("**Missing Class Members**"). The Administrator shall review any such claims by additional applicant(s) and determine whether they are in fact entitled to any refund, submit his conclusions to the applicant(s) and Defendant who shall have fifteen (15) days to object to the Administrator's findings. Any such objections shall be heard by the Special Master as defined below. The Special Master's ruling is final and binding, except as to questions of law, which are subject to review by the Judge and/or any appellate court of this state with jurisdiction over the subject matter. The Presumptive Refund Amount for Class Members shall be adjusted based on any refunds determined to be owed for Missing Class Members.

Finally, the Settlement Webpage will provide a form for any applicant identified as a Class Member to utilize to update their address.

I. Administration of the Class

The Presumptive Refund Amount for each Class Member will be posted on the Settlement Webpage along with information about how a Class Member can object to the Presumptive Refund Amount.

After the Administrator identifies the Presumptive Refund Amount for each Class Member, the Administrator will divide the Class Members into the following categories for purposes of distributing the refunds to the Class Members:

- Class Members still owning the property for which a refund is determined to be owed (hereinafter "**Category 1 Class Members**").
- Class Members who no longer own the property for which a refund is determined to be

owed (hereinafter “**Category 2 Class Members**”).

A claim form for collection of individual refunds for Category 2 Class Members will be submitted to the Court for approval along with the Motion for Preliminary Approval (the “**Claim Form**”). Additionally, the Settlement Webpage will be created and provide the information contained in the Claim Form for the collection of individual refunds.

For Category 2 Class Members, the Claim Form will be sent to what is believed to be the current mailing address with a form requiring that the taxpayer certify that he or she is the same taxpayer for which the refund has been calculated. The taxpayer shall have sixty (60) days to return the certification. The refund shall be mailed in accordance with the timing procedures set forth below.

Rita Spalding is appointed Special Master to rule on any individual defenses or disputes in the individual refund calculation and administration process. The Special Master’s decision shall be final and binding. The fees and expenses of the Special Master shall be paid from the Aggregate Refund Fund. In the event that Rita Spalding cannot serve, a substitute Special Master consented to by the Parties shall be appointed.

All Category 1 Class Members and those Category 2 Class Members who returned a properly executed Claim Form shall be the “**Qualified Class Members**” to whom refunds shall be paid as set forth below. The individual refund amounts shall be mailed to the Class Members in accordance with the timing procedures set forth below.

J. Qualified Class Member Refunds

The Administrator will determine each Qualified Class Member’s pro-rata share from the Aggregate Refund Fund (the “**Pro-Rata Refund**”) following the submission of all Category 2 Claim Forms and resolution of all objections as set forth hereinabove. “Pro-Rata” shall mean the

proportion each Qualified Class Members' total payment of Fire Fees during the Refund Period bears to the payments of all Qualified Class Members during the Refund Period. The Pro-Rata Refund is expected to return to each Qualified Class Member approximately 26% of the Fire Fees paid during the Refund Period less fees and expenses. The Pro-Rata percentage shall be used to calculate each Qualified Class Member's share of the Fees and Expenses to be subtracted from the Pro-Rata share of the Aggregate Refund Fund. The Fees and Expenses shall be totaled and multiplied by the Pro-Rata share. The resulting number shall be each Qualified Class Member's portion of the Fees and Expenses ("**Pro-Rata Fees and Expenses**"). The difference between the Pro-Rata share of the Aggregate Refund less the Pro-Rata Fees and Expenses shall be each Qualified Class Member's final refund ("**Final Refund**") and shall be the amount distributed to each Qualified Class Member as set forth herein.

K. Refund Payment Process

Within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the Special Master on any Presumptive Refund calculation, the Administrator shall identify to the Gardner QSF Administrator the amount of the Final Refund due each taxpayer and the address to which the refund is to be mailed for the Category 1 Class Members. The Gardner QSF Administrator shall issue refund checks from available funds in the Aggregate Refund Fund to the Category 1 Class Members within thirty (30) days of the later of the receipt of such notice or the payment of the Final Refund Payment by the County. Within thirty (30) days following the later of the expiration of the period to submit Claim Forms or a final ruling by the Special Master on any claims or objections as set forth above, the Administrator shall identify to the Gardner QSF Administrator Category 2 Class Members who have properly filled out and returned claim forms, the amount of Final Refund due each Category 2 Class Member and

the address to which the refund is to be mailed. The Gardner QSF Administrator shall issue refund checks from available funds in the Aggregate Refund Fund to the Category 2 Class Members within thirty (30) days of the later of the receipt of such notice or the payment of the Final Refund Payment by the County.

Any and all checks returned or uncashed after one hundred and twenty (120) days from issuance shall be canceled by the Gardner QSF Administrator (the “**Expiration Date**”). Following the Expiration Date, all monies remaining in the Aggregate Refund Fund after all payments have been made as outlined herein shall be returned to the County.

The Gardner QSF Administrator shall maintain accurate accounting records of all deposits and payments from the Aggregate Refund Fund Account and shall provide such accounting to Named Plaintiff’s Counsel and Defendant’s Counsel upon request. The Gardner QSF Administrator shall file a notice of completion of administration (“**Notice of Completion**”), the form of which shall be included in the Motion for Preliminary Approval, with the Court within thirty (30) days of completion of the administration and return of any remaining funds from the Aggregate Refund Fund Account to the County.

L. General Provisions

- (1) Named Plaintiff and Defendant agree in writing to a modification of the Order and Judgment and obtain approval of the [Amended] Order and Judgment with such agreed to modification, or
- (2) Named Plaintiff and Defendant successfully obtain reversal of the decision denying entry of the Order granting Final Approval to this Order and Judgment after reconsideration or appellate review. In the event that the Court fails to enter an Order granting Final Approval of this Order

**IN THE SUPERIOR COURT OF LONG COUNTY
STATE OF GEORGIA**

GARDNER RENTALS, LLC,

Plaintiff,

v.

LONG COUNTY, GEORGIA,

Defendant.

CIVIL ACTION NO. SUV2026000009

AFFIDAVIT OF JAMES L. ROBERTS, IV

STATE OF GEORGIA
COUNTY OF GLYNN

PERSONALLY APPEARED before me, an officer duly authorized by law to administer oaths, JAMES L. ROBERTS, IV, who after first being duly sworn states:

1.

My name is JAMES L. ROBERTS, IV, and I am competent in all respects to testify regarding the matters set forth herein. I have personal knowledge of the facts stated herein and know them to be true. This Affidavit is given voluntarily.

2.

This Affidavit is given in support of Named Plaintiff's Unopposed Motion and Supporting Memorandum of Law for Final Approval of Class Action Settlement and the Application for Attorney's Fees, Reimbursement of Expenses, and Service Award to Class Representative in the above referenced class action (the "**Lawsuit**").

Introduction and Background

3.

I am a founding member and partner in the law firm of Roberts Tate, LLC. Roberts Tate, LLC is Class Counsel to Plaintiff Gardner Rentals, LLC (“**Named Plaintiff**”) and the Class in the Lawsuit. I am the primary and supervising attorney in this Lawsuit.

4.

I am an experienced litigator, and I am intimately familiar with this Lawsuit.

5.

I have been practicing law since 2001. Prior to forming Roberts Tate, LLC, I was a partner with the law firm of Gilbert, Harrell, Sumerford & Martin, P.C. Prior to that, I served as Law Clerk to the late Judge Anthony A. Alaimo.

6.

As part of my practice, I litigate large class action cases, and in addition to serving as Class Counsel in this Lawsuit, I have served as class counsel in numerous class and collective action cases including, but not limited to, the following: *Vanover, et al. v. 7.

I have extensive experience in tax law, including property tax law, and litigation, having handled tax appeals and tax refund matters for thousands of parcels in over sixty (60) counties in the State of Georgia as well as Florida, Virginia, Alabama, and North Carolina at the administrative, trial court, and appellate court levels. I serve on the Board of Governors of the State Bar of Georgia, am a past President of the Glynn County Bar Association, and am rated “Preeminent”, the highest legal rating available from the leading legal rating service, Martindale-Hubbell. I was named a Rising Star in 2006, 2009-2011, and 2014-2016, and a Super Lawyer for 2017-2025 by Super Lawyers Magazine.

8.

I regularly provide advice and counsel to clients on matters related to taxation and to the valuation of property for taxation, exemption, and special use valuation programs. My co-counsel and I have brought a number of suits with similar factual allegations to the instant action and are very familiar with the applicable law and potential legal defenses.

9.

I am lead counsel for Named Plaintiff and the Class. Named Plaintiff is also represented by co-counsel Manly Shipley, LLP.

The Lawsuit

10.

Named Plaintiff retained Roberts Tate, LLC and agreed to serve as class representative in this Lawsuit against Defendant Long County, Georgia (the “**County**” or “**Defendant**”) to recover refunds on behalf of itself and similarly situated taxpayers for illegal taxes levied and assessed in the form of fire protection and emergency medical service fees (the “**Fire Fee**”) from September 6, 2024, to the present. This Lawsuit is a refund class action and alleges that the County failed to comply with the Georgia Constitution and Georgia law in assessing and levying the Fire Fee.

11.

On January 15, 2026, Named Plaintiff commenced this Lawsuit, asserting claims for refunds on behalf of Named Plaintiff and all others similarly situated.

12.

The County filed its Answer on April 6, 2026.

13.

Our firm conducted early, informal discovery, including investigation of the facts, the law, and extensive analysis and calculation of the refunds potentially owed. Our firm issued numerous Open Records Requests (“**ORRs**”) to the County for documents. From the documents provided pursuant to the ORRs, we thoroughly researched the facts of this Lawsuit and were able to determine the total potential damages and the number of potential class members. The comprehensive damage analysis and calculation of the aggregate total refund owed was integral to negotiating the Settlement with the County.

14.

The early, informal discovery and the research of the legal basis for this Lawsuit were conducted prior to filing the Complaint and before conducting settlement discussions with the County.

15.

We spent a substantial number of hours investigating the thousands of potential refund claims for Fire Fees paid in tax years 2024 and 2025.

16.

We reviewed payment records and tax bills for property owners who potentially could be entitled to refunds.

17.

Legal issues have been thoroughly researched, and I have briefed and argued the same issues in other tax refund and tax appeal matters. I am very familiar with the statutory requirements for refund matters under O.C.G.A. § 48-5-380 (the “**Refund Statute**”).

18.

The County is represented by Patrick T. O'Connor, Patricia T. Paul, and Luke R. Moses, who are extremely capable counsel and were worthy, highly competent, and professional adversaries.

19.

After thoroughly investigating the facts of this Lawsuit and filing the Complaint, the Parties began settlement negotiations and held numerous settlement negotiation discussions over several weeks.

20.

Ultimately, the Parties were able to reach a resolution (the “**Settlement**”). The Settlement is memorialized in the Proposed Order and Judgment on Aggregate Refund and Order (the “**Order and Judgment**”).

21.

The County’s attorneys mounted vigorous defenses and identified a number of potential defenses that, if correct, could result in the Class Members receiving no recovery. The Order and Judgment was only reached after extensive negotiations concerning the parameters and provisions of a fair, reasonable, and adequate settlement.

The Settlement and Preliminary Approval

22.

The Order and Judgment was negotiated at arm’s length and without collusion. There are no agreements in connection with the Settlement other than as specifically articulated in the Order and Judgment.

23.

On July 9, 2026, Named Plaintiff filed an Unopposed Motion and Supporting Memorandum of Law for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and to Schedule Final Approval Hearing.

24.

The Court granted Named Plaintiff's Unopposed Motion for Preliminary Approval of Class Action Settlement and signed the Preliminary Approval Order on July 13, 2026 (the "**Preliminary Approval Order**").

25.

In the Preliminary Approval Order, the Court found, for settlement purposes, that the O.C.G.A. § 9-11-23 factors are present and that certification of the proposed Settlement Class is appropriate, and provisionally certified one (1) class: all taxpayers within the County who were assessed and paid a Fire Fee at any time between September 6, 2024, and the date of final approval of the Order and Judgment (the "**Refund Class**" or "**Settlement Class**").

26.

The Court scheduled a final approval hearing by Rule Nisi (the "**Final Approval Hearing**") for October 6, 2026, at 9:00 a.m. in the Superior Court of Long County.

27.

The Court ordered that notice of the Settlement and notice of the Final Approval Hearing be given to the Class Members as follows (collectively referred to as the "**Notice Program**"):

- A. The Parties shall cause to be mailed by first class mail, as soon as practicable after the entry of the Preliminary Approval Order, to all Class Members at their last known addresses as appearing on the records maintained by the County, a copy of

the notice (the “**Full Notice**”). The Court approved the form and content of the Full Notice.

- B. The Named Plaintiff shall cause, as soon as practicable after entry of the Preliminary Approval Order, a webpage to be created (the “**Settlement Webpage**”) where Class Members may access the Preliminary Approval Order, the proposed Order and Judgment, the Full Notice, other related documents and information concerning this Lawsuit, and the date that the Final Approval Hearing will occur.
- C. The Parties shall cause, as soon as practicable after entry of the Preliminary Approval Order, a notice to be placed in the Tatnall Journal Sentinel (the “**Publication Notice**”) once a week for four (4) consecutive weeks. The Court approved the form and content of the Publication Notice.

28.

The Court ordered that Class Members objecting to the Settlement, or to Class Counsel’s request for an award of attorney’s fees, expenses, and a service award, follow specific procedures to register such objections as set forth in the Preliminary Approval Order and in the Full Notice, including that any written objection be postmarked at least thirty (30) days prior to the Final Approval Hearing, be hand delivered or mailed to the five (5) addresses identified in the Preliminary Approval Order, and set forth the information specified therein. The Court further ordered that any Class Member who objects must make themselves available to be deposed regarding the grounds for the objection. See Preliminary Approval Order at ¶¶19-21.

Execution of the Notice Program

29.

Each facet of the Notice Program was timely and properly accomplished.

30.

The Full Notice was mailed by the Administrator on or before July 30, 2026 to Class Members at their last known addresses as appearing on the records maintained by the County. Six Thousand Nine Hundred Fifty-Six (6,956) Full Notices were mailed.

31.

The Settlement Webpage was created providing information about the Lawsuit. *See* LongCountyFireFeesSettlement.com. The Settlement Webpage contains the Preliminary Approval Order, the proposed Order and Judgment, the Full Notice, and other related documents and information concerning the Lawsuit. The Settlement Webpage also contains the date of the Final Approval Hearing as set forth in the Preliminary Approval Order.

32.

The Publication Notice was placed in the Tatnall Journal Sentinel on July 23, 2026, July 30, 2026, August 6, 2026, and August 13, 2026.

33.

The Notice Program provided Class Members with the material terms of the Settlement and instructions on how to object if they believed that any aspect of the Order and Judgment was not fair, reasonable, and adequate.

34.

Both the Full Notice and the Publication Notice, as well as the Settlement Webpage, contained Class Counsel's phone number for Class Members to call with questions about the proposed Settlement. Approximately Five (5) phone calls have been handled to date. The response has been uniformly in favor of the Settlement.

Reaction to the Settlement

35.

The Full Notice, the Publication Notice, and the Settlement Webpage notified Class Members of the date and time of the Final Approval Hearing and advised them that if they believed that any aspect of the Settlement as set forth in the Order and Judgment, including the Application

for Attorney's Fees, Reimbursement of Expenses, and Service Award to Class Representative, was not fair, reasonable, and adequate, they had the right to object to any or all of the foregoing.

36.

Pursuant to the Preliminary Approval Order, the period for filing timely objections ended on September 7, 2026. There were no objections received. Of the approximately Five (5) calls received, no one objected to the Settlement. Most of the calls were requesting general information about the Settlement.

37.

Therefore, the Settlement was approved overwhelmingly by the Class Members.

Summary of the Terms of the Settlement

38.

The Parties engaged in extensive arm's length settlement negotiations. Discussions concerning the terms of the Settlement were conducted by senior attorneys from both sides. All participants in the settlement discussions were experienced in prosecuting and negotiating complex class action cases such as this Lawsuit. Each side had a thorough understanding of the allegations regarding the aggregate damages owed, the facts in support of the amount owed, and the defenses thereto. Counsel for both Parties zealously represented the best interests of their clients.

39.

The terms of the Settlement are set forth in the Order and Judgment and cover refunds for taxes paid in the form of Fire Fees from September 6, 2024, to the present.

40.

If the Court enters final approval of the Settlement, as a result of the efforts of the Class Representative and Class Counsel, the direct benefits to the Class Members include the creation

of a cash fund in the amount of Five Hundred Thousand Dollars and No/100 (\$500,000.00) (the “**Aggregate Refund Fund**”).

41.

The County shall pay Two Hundred Fifty Thousand Dollars and No/100 (\$250,000.00) of the Aggregate Refund Fund on or before January 10, 2027 (the “**Initial Refund Fund Payment**”).

42.

The remaining Two Hundred Fifty Thousand Dollars and No/100 (\$250,000.00) of the Aggregate Refund Fund shall be paid on or before July 1, 2027 (the “**Final Refund Fund Payment**”).

43.

In the event that the County fails to make the payments into the Aggregate Refund Fund as provided in the Order and Judgment, post judgment interest shall accrue at the rate of 7% per annum as set by O.C.G.A. § 7-4-2(a)(1)(A) on said amount until paid in full.

44.

Under the terms of the Settlement, each “**Qualified Class Member**” (as defined in the Order and Judgment) will receive his, her, or its pro-rata share of the Aggregate Refund Fund, less Fees and Expenses. This is called the “**Pro-Rata Refund**” as defined in the Order and Judgment. The fund established is expected to return at least 26% of the Fire Fees paid by each Class Member. This is called the “**Presumptive Refund Amount**” in the Order and Judgment.

45.

“Pro-rata” shall mean the proportion each Qualified Class Member’s total payment of Fire Fees during the Refund Period bears to the payments of all Qualified Class Members during the Refund Period.

46.

This percentage shall be used to calculate each Qualified Class Member's pro rata share of the Fees and Expenses to be subtracted from the Presumptive Refund Amount. The Fees and Expenses shall be totaled and multiplied by the Pro-Rata share. The resulting number shall be each Qualified Class Member's portion of the Fees and Expenses ("**Pro-Rata Fees and Expenses**"). The difference between the Presumptive Refund Amount less the Pro-Rata Fees and Expenses shall be each Qualified Class Member's final refund and shall be the amount distributed to each Qualified Class Member as set forth in the Order and Judgment. See Order and Judgment, Sections H-J.

47.

Under the Order and Judgment, within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the "**Special Master**" on any individual refund calculation, the "**Administrator**" shall identify to the "Gardner QSF Administrator" the amount of refund due each taxpayer and the address to which the refund is to be mailed for the "**Category 1 Class Members**", each of such terms being defined in the Order and Judgment. The Gardner QSF Administrator shall then issue refund checks from available funds in the Aggregate Refund Fund to the Category 1 Class Members within thirty (30) days of the later of the receipt of such notice or the payment of the Final Refund Fund Payment by the County. Similarly, within thirty (30) days following the later of the expiration of the period to submit Claim Forms or a final ruling by the Special Master on any claims or objections, the Administrator shall identify to the Gardner QSF Administrator the amount of refund due each taxpayer who properly filled out and returned a claim form and the address to which the refund is to be mailed for each "**Category 2 Class Member**", again each of such terms being defined in the

Order and Judgment. The Gardner QSF Administrator shall then issue refund checks from available funds in the Aggregate Refund Fund to the Category 2 Class Members within thirty (30) days of the later of the receipt of such notice or the payment of the Final Refund Fund Payment by the County.

48.

The Aggregate Refund Fund provides for an immediate cash benefit for the Class Members as set forth in the Order and Judgment.

49.

Importantly, if the Class Member is a Category 1 Class Member as defined in the Order and Judgment and still owns the property for which the refund is due, the Class Member needs to take no further action in order to receive his, her, or its refund. If the Class Member is a Category 2 Class Member as defined in the Order and Judgment and no longer owns the property for which the refund is due, the Class Member will fill out a claim form (which will be sent to what is believed to be the current address or can be obtained from the Settlement Webpage) certifying that he, she, or it is the same taxpayer for which the refund has been calculated, and then the refund will be mailed to such Class Member.

50.

The Settlement amount is fair and reasonable given the obstacles confronted and the complexity of the Lawsuit, including, but not limited to, the inherent risk of failing to obtain class certification, having the Lawsuit dismissed at the pleadings stage or upon motion for summary judgment, *Daubert* challenges, trial, and further appeals.

51.

The facts of this Lawsuit have been thoroughly researched. Class Counsel spent a substantial number of hours investigating the potential refund claims. We analyzed the potential refund claims for tax years 2024 and 2025.

52.

This information was essential to our ability to understand the facts, the scope of the refund claims, pertinent evidence, legal and factual arguments and potential defenses, and the number and amount of potential refunds owed to the Class.

53.

In sum, the Settlement represents an excellent result. It is the opinion of Class Counsel that the Settlement achieved in this Lawsuit is fair, reasonable, and adequate under the circumstances. For all the reasons cited above and more, Class Counsel recommends final approval of this Settlement.

54.

Final approval of the Settlement will avoid complex, expensive, and continued lengthy litigation, saving resources of the Parties and the Court, as continued litigation would involve extensive discovery and motion practice, including class certification and merit-based issues, and trying this Lawsuit to verdict would involve expert involvement, extensive argument and voluminous briefing, and possible *Daubert* challenges and appeals.

Attorney's Fees, Expenses, and Service Award

55.

Each of the above-described efforts taken was essential to achieving the Settlement and the excellent results for the Class. Throughout this litigation, Class Counsel has not received any

compensation or payment for its work on behalf of the Class Members or reimbursement for the expenses advanced on their behalf.

56.

On July 30, 2026, Class Counsel filed the Application for Attorney's Fees, Reimbursement of Expenses, and Service Award to Class Representative with Memorandum of Law in Support (the "**Application**"). The Application was posted on the Settlement Webpage for Class Members to review and download the same day it was filed with the Court.

57.

As its fee in this litigation, Class Counsel requests the payment of Two Hundred Thousand Dollars and No/100 (\$200,000.00), which represents forty percent (40%) of the Aggregate Refund Fund.

58.

Since the Application was filed with the Court on July 30, 2026, Roberts Tate, LLC has incurred additional litigation expenses and costs. The total amount of actual out-of-pocket costs and expenses that Class Counsel has necessarily incurred and paid in connection with the prosecution and settlement of this Lawsuit is \$23,194.56. The Application as filed sought reimbursement of \$23,194.56.

59.

The Class Representative was active in this Lawsuit and provided invaluable assistance to counsel by, among other things, locating relevant documents, participating in conferences with Class Counsel, and remaining ready to provide testimony in this Lawsuit on behalf of itself and the Class Members. In doing so, the Named Plaintiff was integral to forming the theory in this Lawsuit and reaching the Order and Judgment. Class Counsel requests a service payment to the

Class Representative in the total amount of Twelve Thousand Five Hundred Dollars and No/100 (\$12,500.00), which represents two and one-half percent (2.5%) of the Aggregate Refund Fund.

FURTHER AFFIANT SAITH NOT.

Kemp touts data centers, calls AI "scary" but essential

by Ty Tagami
Capitol Beat News Service

Gov. Brian Kemp weighed in on the rush to develop artificial intelligence (AI), calling the technology "scary" while also welcoming data centers to Georgia and criticizing others who would pause their development.

"I'm not saying we need a data center in every community that's out there, but to have a moratorium just like the governor of New York did and what Keisha Lance Bottoms is proposing — to me, is irresponsible," Kemp said in a video interview with POLITICO Energy published Monday.

The Georgia governor, who is nearing the end of his final term, may have been referring to a video interview given by Bottoms in April to the Columbus Ledger-Inquirer.

At the time, the former Atlanta mayor was competing in a crowded primary to win the Democratic nomination for governor, which she subsequently won in May.

"If I have the privilege of being elected governor, I am going to ask for a pause in construction on data centers throughout the state," Bottoms said. "Give us an opportunity to understand exactly where we are. Are we on the right track, or do we need to scale back?"

Kemp said data centers can generate local tax revenue and other benefits and that communities rather than the state should decide where they are built.

"We don't need to try to push these things where people don't want them," he said in the interview conducted last week, "but to

say that we're just going to have a blanket moratorium — to me, is, indeed, insane."

Kemp said he was concerned about the effect of AI on children and on security.

"Some of the things that are very scary when you think about national defense, cybersecurity issues, and other things," he said. "But I'm more concerned about China winning this race and using all those things against us economically, militarily."

Kemp said some data centers had been announced or even started working "in the dead of the night."

That is not the case with the \$20 billion data center that OpenAI announced for an industrial site in Effingham County near Savannah last week, he said, adding that the company had met with local officials and utilities in advance.

The public learned of the company's plans

Wednesday, when residents were given a one-day notice that the company would be holding an open house about its planned facility.

Both Remmes, with the environmental group Georgia Interfaith Power & Light, attended the event. It featured information tables with company representatives who gave sometimes vague information, she said.

Remmes said she and others were concerned about the use of noisy and polluting diesel-fueled generators for backup power.

"They said they do have diesel generators, but they are just backing up a small part of the system, but what is a small part of a \$20 billion system?" Remmes said. "That's what I would like to see written down and explained."

**IN THE SUPERIOR COURT OF LONG COUNTY
STATE OF GEORGIA**

GARDNER RENTALS, LLC,

Plaintiff,

v.

LONG COUNTY, GEORGIA,

Defendant.

CIVIL ACTION NO. SUV2026000009

FINAL APPROVAL ORDER

WHEREAS, the instant action pending before the Court is a class action (the “**Lawsuit**”) brought by Gardner Rentals, LLC (“**Named Plaintiff**”), individually and on behalf of all persons similarly situated (the “Class Members”), against Defendant Long County, Georgia (the “**County**”);

WHEREAS, this matter came before the Court on Named Plaintiff’s Unopposed Motion and Supporting Memorandum of Law for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and to Schedule Final Approval Hearing (the “**Motion for Preliminary Approval**”);

WHEREAS, the Court GRANTED the Motion for Preliminary Approval and entered the Preliminary Approval Order on July 13, 2026 (the “**Preliminary Approval Order**”);

WHEREAS, this matter is currently before the Court on Named Plaintiff’s Unopposed Motion and Supporting Memorandum of Law for Final Approval of Class Action Settlement pursuant to O.C.G.A. § 9-11-23(e), in which the Court has been asked to give final approval to the Order and Judgment (hereinafter the “**Order and Judgment**”) proposed and agreed to by Named

Plaintiff and the County, through counsel, which, together with the exhibits, sets forth the terms and conditions of the proposed resolution of this Lawsuit;

WHEREAS, the Court held a Final Approval Hearing on October 6, 2026, as scheduled in the Rule Nisi Order and as made known to the Class Members through the notice procedures (the “**Notice Program**”) approved by the Court in the Preliminary Approval Order;

WHEREAS, no objections were filed to the Order and Judgment, and the Court having considered the entire record of this Lawsuit, including the filings in support of preliminary approval and final approval, the Order and Judgment and the exhibits, and the arguments and representations of counsel, the Court finds that the requirements for final approval have been met and that the proposed resolution of this Lawsuit as set forth in the Order and Judgment is a fair, reasonable and adequate compromise of the claims and defenses asserted in this Lawsuit and should therefore be approved pursuant to O.C.G.A. § 9-11-23.

NOW, THEREFORE, IT IS ORDERED, ADJUDGED, AND DECREED THAT:

1. This Final Approval Order incorporates herein and makes a part hereof the Order and Judgment, including all exhibits and amendments thereto. Unless otherwise provided herein, the terms defined in the Order and Judgment shall have the same meanings for purposes of this Final Approval Order.

2. This Court has jurisdiction over the subject matter of this Lawsuit and over all Parties to this Lawsuit, including Named Plaintiff, all Class Members, and Defendant. Venue is proper.

3. The record shows that notice has been given to the Class Members via the Notice Program approved by the Court in the Preliminary Approval Order. The Court finds the Notice Program consisted of individual notice mailed to Class Members (the “**Full Notice**”), a notice in

the Tatnall Journal Sentinel (the “**Publication Notice**”), and a webpage where Class Members could access documents related to the Lawsuit (the “**Settlement Webpage**”). In accordance with the terms of the Notice Program, the Full Notice was mailed to Class Members identified in Exhibit “A” to the Affidavit of Terry D. Turner, Jr. at the Class Members’ last known addresses as appearing on the records maintained by the County; Six Thousand Nine Hundred Fifty-Six (6,956) Full Notices were mailed. The record further shows that the Settlement Webpage was created providing information about the Lawsuit. *See* LongCountyFireFeesSettlement.com. The Publication Notice, the record shows, was placed in the Tatnall Journal Sentinel on July 23, 2026, July 30, 2026, August 6, 2026, and August 13, 2026.

4. The Court finds that the Notice Program (a) constitutes notice that was reasonably calculated under the circumstances to apprise the Class Members of the terms of the Order and Judgment and the Settlement, the Class Members’ right to object, and the date and time of the Final Approval Hearing; (b) constitutes due, adequate, and sufficient notice to all persons or entities entitled to receive notice; and (c) meets the requirements of O.C.G.A. § 9-11-23 and the due process requirements of the Constitution of the United States and the Constitution of the State of Georgia and all other applicable law. The record further shows that the Notice Program advised the Class Members that any written objection to the Order and Judgment, the Fee Petition, or the Class Service Petition had to be postmarked at least thirty (30) days prior to the Final Approval Hearing, i.e., on or before September 7, 2026, and had to comply with the requirements set forth in the Preliminary Approval Order; that the objection period expired on September 7, 2026; and that no objection was filed by any Class Member. *See Juris v. Inamed Corp.*, 685 F.3d 1294, 1318 (11th Cir. 2012) (the Constitution of the United States does not require that each individual member receive actual notice of a proposed settlement).

5. For any Full Notice that was returned as undeliverable, the Administrator is directed, for any Class Member who is entitled to a refund, to cross reference the Class Member's name with the County's records to determine if there is a new address. Generally, the Administrator is directed to use reasonable efforts to confirm the address of any Class Member who is entitled to a refund.

Final Approval of Proposed Settlement

6. The Court finds that the Settlement set forth in the Order and Judgment was the result of extensive and intensive arm's length negotiations taking place in good faith among highly experienced counsel, with the benefit of sufficient facts and with full knowledge of the risks inherent in litigation. The record shows the Order and Judgment was negotiated at arm's length and without collusion; that the Parties engaged in extensive arm's length settlement negotiations with discussions concerning the terms of the Settlement conducted by senior attorneys from both sides; that all participants in the settlement discussions were experienced in prosecuting and negotiating complex class action cases such as this Lawsuit; and that each side had a thorough understanding of the aggregate damages owed, the facts in support of the amount owed, and the defenses thereto.

7. The Court hereby approves the Settlement set forth in the Order and Judgment and finds that the Settlement is, in all respects, fair, reasonable, adequate, meets the requirements of due process, and is in the best interest of the Class Members. This is especially so in view of the complexity, expense, and probable duration of further litigation; the discovery (including informal discovery) conducted to date; and the reasonableness of the recovery obtained and the meaningful

benefits provided to the Class Members, considering the range of possible recovery and the attendant risks of litigation.

8. The record shows the direct benefits to the Class Members include the creation of an Aggregate Refund Fund in the amount of Five Hundred Thousand Dollars and No/100 (\$500,000.00). The County shall pay Two Hundred Fifty Thousand Dollars and No/100 (\$250,000.00) of the Aggregate Refund Fund on or before January 10, 2027 (the “**Initial Refund Fund Payment**”), and the remaining Two Hundred Fifty Thousand Dollars and No/100 (\$250,000.00) of the Aggregate Refund Fund on or before July 1, 2027 (the “**Final Refund Fund Payment**”). In the event that the County fails to make the payments into the Aggregate Refund Fund as provided in the Order and Judgment, post judgment interest shall accrue at the rate of 7% per annum as set by O.C.G.A. § 7-4-2(a)(1)(A) on said amount until paid in full.

The Court finds that this Settlement provides immediate cash refunds for the Class Members expected to return at least approximately 26% of the total calculated refund due, less Fees and Expenses, for Fire Fees paid from September 6, 2024 through the date of this Order. Therefore, this Court finds that the possibility of a trial producing a more favorable recovery is remote and that the Class Members would risk the many hazards of litigation, such as trial errors and appeals, including recovering nothing. Further, the Court finds that the Settlement will avoid complex, expensive, and continued lengthy litigation, saving resources of the Parties and the Court.

The record shows that Class Counsel conducted early, informal discovery and that the facts of this Lawsuit have been thoroughly researched, as Class Counsel spent a substantial number of hours investigating the potential refund claims for each tax year at issue. The record further shows that Class Counsel expended significant resources researching and developing the legal theories and claims presented in the Verified Class Action Complaint and that Class Counsel devoted

significant time and effort to preparing a comprehensive damage analysis and calculation of the aggregate total refund owed, which was integral to negotiating the Settlement with the County. Additionally, the record shows that the legal issues involved in this case have been thoroughly researched and that Class Counsel has briefed and argued the same issues in other tax refund and tax appeal matters and is very familiar with the statutory requirements for refund matters under O.C.G.A. § 48-5-380. The Court finds that Class Counsel was well informed of the merits of the Lawsuit and had sufficient information to weigh the benefits of settlement against further litigation.

9. Based on the foregoing, the Court finds that Class Counsel and Named Plaintiff have adequately represented the Class Members.

10. The Court finds that the Settlement treats Class Members equitably. The record shows that each Qualified Class Member (as defined in the Order and Judgment) will receive payment from the Aggregate Refund Fund pursuant to a formula that ensures they will be fairly compensated. That is, each Qualified Class Member will receive his, her, or its pro-rata share of the total calculated refund due from the Aggregate Refund Fund, less Fees and Expenses (as defined in the Order and Judgment). This is called the “Pro-Rata Refund”. “Pro-rata” means the proportion each Qualified Class Member’s total payment of Fire Fees during the Refund Period bears to the payments of all Qualified Class Members during the Refund Period. The record shows that this percentage shall be used to calculate each Qualified Class Member’s pro rata share of the Fees and Expenses.

11. The Court finds the proposed method of distribution of refunds to the Class Members to be the best method of distribution possible. The record shows that if the Class Member is a Category 1 Class Member as defined in the Order and Judgment and still owns the property

for which the refund is due, the Class Member needs to take no further action in order to receive his, her, or its refund. As provided in the Order and Judgment, if the Class Member is a Category 2 Class Member as defined in the Order and Judgment and no longer owns the property for which the refund is due, the Class Member must fill out a claim form (which will be sent to what is believed to be the current address or can be obtained from the Settlement Webpage) certifying that he, she, or it is the same taxpayer for which the refund has been calculated, and then the refund will be mailed to such Class Member.

12. The Court hereby establishes the Gardner Qualified Settlement Fund (the “**Gardner QSF**”) pursuant to Court Order as a “Qualified Settlement Fund” as that term is described in Internal Revenue Code § 468B (26 U.S.C. § 468B) and the Treasury Regulations thereto, to hold, invest, administer, and distribute the Gardner QSF assets, which shall consist of the Aggregate Refund Fund, including the refunds payable to Qualified Class Members, the service award to the Named Plaintiff, and Class Counsel’s attorney’s fees and expenses.

The Settlement monies held in the Gardner QSF’s bank account shall be held and managed as required by Treasury Regulations § 1.468B-1(c)(3). Such Gardner QSF settlement amounts are to be held, managed, invested, and re-invested, as directed by the Fund Administrator appointed by the Court, in a manner to preserve any accrued income and principal in the Gardner QSF until it can be fully distributed. The Aggregate Refund Fund shall be deposited into an interest-bearing bank account (the “Aggregate Refund Fund Account”) established by the Gardner QSF Administrator, and the Aggregate Refund Fund Account shall have a unique Taxpayer Identification Number. Terry D. Turner, Jr. of Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama is appointed as the Gardner QSF Administrator (the “Gardner QSF Administrator”). The Gardner QSF Administrator shall charge \$20,000.00 for his

services plus expenses, which shall be paid from the Aggregate Refund Fund as set forth in the Order and Judgment. The Gardner QSF Administrator shall function as a fiduciary with respect to the handling, management, and distribution of the Aggregate Refund Fund.

Class Counsel fees awarded and the service award shall be paid by the Gardner QSF Administrator. The Gardner QSF shall hold such settlement amount, with any earnings thereon, and the Gardner QSF Administrator shall make payments on behalf of the Named Plaintiff and Class Counsel from the Gardner QSF.

Terry D. Turner, Jr. of Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244, is hereby appointed as Administrator (the “**Administrator**”) to identify the Class Members entitled to refunds and to calculate the individual refund amounts due each such Class Member as set forth in the Order and Judgment. The fees and expenses of the Administrator shall be paid from the Aggregate Refund Fund.

Rita Spalding is hereby appointed as Special Master. The Special Master will rule on any individual defenses or disputes concerning the administration process or the Administrator’s calculation of any individual refund. The Special Master’s decision shall be final and binding, except as to questions of law, which are subject to review by the Court and/or any appellate court of this State with jurisdiction over the subject matter. The fees and expenses of the Special Master shall be paid from the Aggregate Refund Fund. In the event that Rita Spalding cannot serve, a substitute Special Master consented to by the Parties shall be appointed.

The Court shall retain jurisdiction of the Gardner QSF, the Gardner QSF Administrator, the Administrator, the Special Master, and all related matters.

13. The Parties are hereby directed to implement and consummate the Settlement according to the terms and provisions of the Order and Judgment.

14. The Parties are Ordered to cooperate fully with each other regarding the implementation of the terms of the Order and Judgment as approved in this Final Approval Order.

Certification of Settlement Class

15. Even when certifying a class under O.C.G.A. § 9-11-23 for settlement purposes only, all O.C.G.A. § 9-11-23(a) factors and at least one of the requirements under O.C.G.A. § 9-11-23(b) must be satisfied — except that the court need not consider the manageability of a potential trial, since the settlement, if approved, would obviate the need for a trial. *See Amchem Products, Inc. v. Windsor*, 521 U.S. 591, 620 (1997).

16. The Court previously concluded in its Preliminary Approval Order that it was likely to certify the following Settlement Class: all taxpayers within the County who were assessed and paid a Fire Fee at any time between September 6, 2024, and the date of final approval of the Order and Judgment (hereinafter the “**Refund Class**” or “**Settlement Class**”).

17. The Court specifically determines that, for settlement purposes, the proposed Settlement Class meets all the requirements of O.C.G.A. § 9-11-23(a) and O.C.G.A. § 9-11-23(b)(1) and O.C.G.A. § 9-11-23(b)(2), namely that the Settlement Class is so numerous that joinder of all members is impracticable; that there are common issues of law and fact; that the claims of the class representative are typical of absent class members; that the class representative will fairly and adequately protect the interests of the Settlement Class, as it has no interests antagonistic to or in conflict with the Settlement Class and has retained experienced and competent counsel to prosecute this Lawsuit; and that the prosecution of separate actions by or against individual class members would create a risk of inconsistent or varying adjudications with respect

to individual class members which would establish incompatible standards of conduct for the party opposing the class, or adjudications with respect to individual class members which would as a practical matter be dispositive of the interests of the other members not parties to the adjudications or substantially impair or impede their ability to protect their interests.

18. The Settlement Class is hereby finally certified for settlement purposes. Named Plaintiff Gardner Rentals, LLC is hereby appointed and confirmed as Class Representative, and Roberts Tate, LLC and Manly Shipley, LLP are hereby appointed and confirmed as Class Counsel.

Releases, Dismissal and Final Judgment

19. All claims asserted in this Lawsuit are dismissed with prejudice on the merits and without costs to any party, except as otherwise provided in this Court's Order on the Application for Attorney's Fees, Reimbursement of Expenses and Service Award to Class Representative or as otherwise provided in the Order and Judgment.

20. Upon entry of this Final Approval Order and the Order and Judgment, Named Plaintiff and each Class Member, on behalf of themselves and any other legal or natural persons and entities who or which may claim by, through, or under them, release their claims as outlined in the Order and Judgment.

21. Without affecting the finality of this Order, the Court retains continuing and exclusive jurisdiction over all matters relating to the administration, consummation, enforcement and interpretation of the Order and Judgment, to protect and effectuate this Order, and for any other necessary purpose.

22. The Clerk shall promptly enter the Order and Judgment attached hereto as **Exhibit "A"** in the docket of this Lawsuit, which shall become a final Judgment of this Court.

23. The Clerk shall promptly enter this Order as a Final Judgment in the docket of this Lawsuit.

SO ORDERED this _____ day of _____, 2026.
